Verse 35 to 62
What is practical benefit of this Jnanam?

We have fundamental notion:

- I am Mortal, born with it, live it, grow with it, die with it = Samsara.
- Sense of Mortality brings sense of insecurity.
- Cling to mother’s dress, hold to elders, children.
- Bayam = Insecurity = Samsara.
- Moksha = Freedom from insecurity.
- If Deha Abhimana is powerful, insecurity is instinctive.
- Person with assimilated teaching roars:
  “I am immortal Atma”.

Verse 35:

 kadācidātmā na mṛto na jāyate
 na kṣīyate nāpi vivardhate’navaḥ
 nirastasarvātisayaḥ sukhātmakāḥ
 svayamprabhaḥ sarvagato’yamadvayaḥ

This Self is never born, never grows up, never decays, and never dies. It is not new; that is, it is most ancient, devoid of all attributes of the equipments. It is blissful, self-effulgent, all-pervading and one without a second. [Verse 35]
Katho Upanishad:

The intelligent Atman is not born, nor does He die. He did not spring from anything, and nothing sprang from him. This unborn, eternal. Everlasting, ancient, is not slain even when the body is destroyed. [I – II – 18]

Gita:

He is not born, nor does He ever die; after having been, He again ceases not to be; unborn, eternal, changeless and ancient, He is not killed when the body is killed. [Chapter 2 – Verse 20]

• Same idea here.

• I am free from 6 modifications:

  “Shad Vikara Rahitaha – Nirvikara Svarupa Aham “

  1) Asti – Potential existence
  2) Jayate – Birth
  3) Vardate – Growth
  4) Viparinamate – Transformation
5) Apakshiyate – Decay, declension
6) Vinashyati – Death
   • These are the conditions of Physical Body.
   • During old Age, Physical dependence increases, will power goes down, Prarabda attacks fully.
   • In young age, we can dodge Prarabda through Parihara.

a) Kadachit Atma Na Mrtaha Na Jayate :
   • I – Atma am never born, or subject to death.

b) Na Ksheyathe Na Api Vardate :
   • No decay or Growth.

c) Anavaha :
   • Purnaha, No transformation, metamorphosis, no growth.
d) 6th:
- Potential Existence, Garba Vasa, we add.

e) Nirasta Sarva Atishayaha:
- I – Atma am free from Gradations –No inferior-superior, Rich – Poor, Tall-Short, Small-Big Atma.
- Human have problems because of comparison, leads to jealousy, Samsara.

Gita:

Sages look with an equal eye upon a brahmana endowed with learning and humility, on a cow, on an elephant, and even on a dog and an outcaste. [Chapter 5 – Verse 18]

- Sanyasa taken to look at Universe without comparison.
- Differences are superior Nama, Rupa not worth dwelling upon.
- Qualitative, Quantitative, dimensional gradations.
- Nirasa – free from Gradations.
- I an absolutely relieved, no inferiority, superiority due to Money, position, name, fame, comfortable as I am.
- Mind not whipped by comparisons.
f) Sukham Atmakaha:

g) Svayam Prabhah:
   - Self evident, Chaitanya Svarupa.

h) Sarvagataha:
   - All pervading.
   - Consciousness = Existent = All pervading = Mahavakya equation.

i) Advayaha:
   - Non Dual.
   - I am that Non Dual Consciousness.
In this pure Self, which is of the nature of pure Consciousness and infinite Bliss, how can one perceive a pain-ridden world of names and forms? It appears only because of the nonapprehension (of the Self) and consequent misapprehensions (of the body-mind-intellect equipments). When Knowledge (realization) takes place, ignorance disappears instantaneously, it being contrary to Knowledge. [Verse 36]

- If I am all pervading Consciousness like light or space, how can I be polluted, contaminated, affected by Samsara?
- Space not affected by any event.

Answer:

Example:

- Mirage water experienced in dry desert and deer runs after it, becomes tired and dies.
- We are running life long after peace from the world, which eludes us.
- Peace receding all the time because of delusive perception.
- Samsara because of Agyanam and Adhyasa.
a) Dukhamayah Prabhava Katham Prathiyate?
   • Bava = Samsara.
   • How does Samsara full of sorrow, pain, conflict, appear, affect Atma.
   • Mental tension, anxiety, insecurity, fear, how it affects me, Atma, All pervading like space?

b) Jnana Svarupam Chaitanyam is embodiment of Pure Consciousness, Sukha Svarupam.
   • This is my Nature.
   • Samsara should not be there but experienced Universally – How?

Answer:
   • Aberration in our perception, optical illusion.
   • Example:
     a) Fast moving earth appears stationary.
     b) Non-Rising Sun appears Rising.
     c) Non Samsari appears Samsari.

c) Agyana Vashat Adhyasa Prakashate:
   • Because of erroneous perception, due to Ignorance.
   • I am not bound but I think I am bound.
• **Example:**
  I. Coin pressed in forehead and taken out appears to be there and person keeps on hitting his head in a Game.

II. **Phantom limb syndrome:**
    After limb is taken out, person feels itch

d) **Jnane Vilayate:**
   - Goes by Shastric Mirror.
   - Eyes can’t see my forehead.
   - Samsara doesn’t go but dissolves. Why?

e) **Virodataha Jnanam:**
   - Jnanam only enemy of Agyanam and Adhyasa.
   - How long will it take?
   - Till you see Shastra mirror properly.

f) **Kshanam:**
   - Instantaneous.
Verse 37:

To perceive a thing to be something other than itself and to recognize the thing to be only what you perceive it to be is called by the wise the phenomenon of superimposition. Just as in the rope, which has no serpent, we see the serpent only, so to we see the world of plurality (superimposed) upon the Lord. [Verse 37]

What is Adhyasa?

- Seeing non-existent thing upon wrong locus because of ignorance as though it is existent is Adhyasa.

<table>

<th>Samsara</th>

<tbody>
<tr>
<td>Desert Land</td>
<td>Mirage Water</td>
</tr>
</tbody>
</table>

a) Anyatu Anyatra Bramat Vibavyate:

- On wrong locus, dry desert land seeing Mirage.
- Like non-existent Snake seen on Rope.
- Appears because of optical illusion.
b) Anena Iti Aha:

- Erroneous perception, misconception, superimposition.
- By Baga Tyaga Lakshana we come to know our Real Nature is Consciousness principle which is identical with all pervading Consciousness known as Brahman.
- Our Experience is opposite.
- I am Body - Mind complex, limited individual.

**Example:**

```
<table>
<thead>
<tr>
<th>Fact</th>
<th>Sun</th>
</tr>
</thead>
<tbody>
<tr>
<td>Earth Rotating</td>
<td>Stationary</td>
</tr>
</tbody>
</table>
```

- Reason for illusory experience is “Adhyasa”.
- Movement belongs to Earth.
- In opposite direction, we transfer movement to Sun.
- Property transference called Adhyasa, common Universal Phenomenon.
- Property of witness consciousness transferred to inert body, mind complex.

- Size, weight, motion transferred to Atma.

- Property of witness consciousness transferred to inert body, mind complex.

- False transference is called Adhyasa.

<table>
<thead>
<tr>
<th>Rope – Snake</th>
<th>Rope</th>
</tr>

<tbody>
<tr>
<td>- Size, shape, motion, shiny, location surface transferred to rope.</td>
<td>- Existence transferred to false snake.</td>

</tbody>
</table>

- Even after knowing, experience of Sunrise continues.
- Knowledge does not bring about experiential change but only cognitive change.
- Sunrise experience was, is.
- Similarly, I am an individual living in Singapore continues.
- What is cognitive change?
• Knowing, Understanding, experience is not a fact.
• Validity of experience goes away, negated like Dream experience.
• I continue to experience localisation but I know I am all pervading Chaitanyam called Brahman.
• There was misconception which is negated by Knowledge.
• Negation of Misconception is called cognitive change.
• Vedanta brings about cognitive transformation, not experiential transformation.
• Moksha requires only cognitive transformation.
• Therefore, Jnanat Eva Kaivalyam, only change in Understanding.

b) Yadasya Anyatra Vibayate..

• Brahma Adhyasam Iti Aaha Vipashchita.
• Because of Brama, confusion, property of one falsely appears on another.
• This transference of property is called Adhyasa - By the wise.
• Asarpa Buthe... Yatha Vibavam.
• Object Non Snake like Rope, Mala, crack on earth, Asarpam Branthi, taken as Snake.
• Non existent properties of Snake transferred to Rope.
• Upon Non Snake, Vibhavanam, imagination, false transference, Aberration, Visualisation, erroneous perception
c) Vibavanam Aahihi :
• Imagination of Snake.
• Snakeness non existent on a Rope.
• I superimpose non existent like Motion on stationary Sun, I transfer.
• East to West motion of Sun is transferred from West to East motion of Earth.
• Universal mistake successfully perpetuated.
• We read about Sunrise, Sunset in paper but know it never Rises, Sets.
• Jnani sees World, division, experiences finitude, travel, speaks, eats, walks.
• Has cognitive transformation.
• All feelings based on transference of Anatma, attribute upon ‘I’ – Atma.
• I – Atma don’t talk, walk, travel.
• No Pashyan, Srnvan, Gachhan.
• Cognitive change, intellectual transformation.
• This is required and accomplished through Vedanta.

d) Asarpa Buta Hi Vibavanam :
• Non Snake = Rope.

e) Rajadike Asarpa Bute :
• Like seeing Snakeness upon any Non Snake like Rope.
• Similarly upon Ishvara – Atma, there is transferred attribute which is Jagat, Body, Mind.
• Worldliness is superimposed upon Non World Brahman.
Verse 38: Important Verse

**In Brahman, which is untouched by the projections of Maya – in that pure Consciousness, ever pure, first arises an egocentric self-consciousness. This is a mere superimposition upon the Self. [Verse 38]**

**Adhyasa – 2 Types:**

| - Substance Anatma Dharmi Adhyasa.  
- 1\textsuperscript{st} stage – I am when I wake up from sleep, Prathamika Adhyasa, Ahamkara Adhyasa.  
- Birth of Ego is technical name for Prathamika Adhyasa, substance superimposition. | - Property – attribute Anatma Dharma Adhyasa.  
- 2\textsuperscript{nd} State – Properties of Sthula, Sukshma, Karana Shariram, attributes superimposed on I am, Primary Adhyasa.  
- Colour comes with substance cloth.  
- Property nonseparable from substance.  
- Only when attributes are superimposed.  
- Every attribute a problem. |
<table>
<thead>
<tr>
<th>Prathama</th>
<th>Dvitiya</th>

</table>
| “I am” is the tragedy seed sown.  
Putting 3 substances / Sharirams, I start to say I am.  
I am is called ego.  
Verse 38 | I am Male / Female / Human being belongs to Sthula Shariram.  
I am angry, nobody loves me, craving for enquiry, nobody asking about my headache, attributes of emotionally thirsty mind, I am depressed, attribute of superimposed Dharma Adhyasa.  
What you add after I am is Dharma Adhyasa, secondary Adhyasa, Dvitiya Adhyasa.  
With secondary Adhyasa alone, Samsara begins.  
Complaints based on secondary Adhyasa.  
Every Adjective you add, title, degree you add…  
All have MS – Maha Samsari degree at birth.  
As long as primary Adhyasa is there, secondary Adhyasa will come.  
All this will be there till cognitive transformation takes place.  
It will take place only if you study Vedanta Systematically. |
a) Eshaha Ahamkara Prathama Adhyasa:
   • This Ego which expresses as I am - Is Prathama Adhyasa, Primary Adhyasa, transference based superimposition.
   • On what?

b) Prakalpitaha Chidatmani:
   • Imagined upon Reality – Sakshi Chaitanyam.
   • What type of Sakshi Chaitanyam?

c) Vikalpa Maya Rahita Chaitanyam:
   • Totally free from Maya and its products.

<table>

   • Visualised, imagined upon Karya Karana Rahita / Vilakshana Chaitanyam.
   • What type of Chaitanyam?

d) Sarva Karane Atmani:
   • Your innermost essence, Ultimate substratum, Adhishtanam.

e) Nirmaye:
   • Free from Ego and problems of Ego.
   • Free from both Anatma and Anatma Dharma.
f) Amaya Samsara:
   • Disease, problem.

g) Nir Amaya:
   • Free from Samsara.

h) Brahmani:
   • Really infinite in Nature.
   • I am not in Singapore.
   • Singapore is in Me – Chaitanya Atma.

i) Kevale:
   • Without 2nd Non-dual Reality.

j) Pare:
   • Absolute Principle.
   • Desha + Kala + Vastu Parichinna Shunyam.
   • Free from Time, Space, attributes.
   • Upon Real I – 1st Ego – I am is superimposed and later Samsara. How?
Verse 39:

The endless desires, the innumerable attachments, the varieties of pleasure are all the various conditions of the intellect and are the causes of samsara that always appear in the supreme Self. They belong to the intellect only, since they are absent in the state of deep sleep when the intellect is absent; at that time we experience the Self, which is of blissful nature. [Verse 39]

Avitiya Adhyasa:

- Secondary superimposition.

a) Pare Dhiyaha Kalpitaha:

- Varieties of emotions and experiences are imagined, thrown upon Atma, which is free from all emotions.
- All experiences are in form of thought.
- Thought is property of Mind, not Atma.
- Mind = Anatma, Sukshma Shariram.
  
  = Depression, Jealousy, Temporary Pleasure, Different thought patterns.
- All transferred to ever free, thoughtless Atma.
Dhiyaha:

- Thought, Pare Kalpita – thrown upon, Sada - All the time.
- All the time I say I am Angry, not my Mind is Angry.
- Same mistake committed in Dream state also.

Example:

- Problems of hero, heroine taken upon Seer and I shed tears.
- Bhagavans Movie – Janma to Janma. We don’t know how to switch off Movie.
- If voluntarily switched on, off, Movie entertainment, otherwise tragedy.
- Example: Car horn
  - Gadgets wonderful if we have control over switch board.
- What is wrong if I transfer attributes?
- That is called Samsara.

b) Samsruti Hetavaha:

- All thoughts taken to myself as my Nature, becomes cause of Samsara. Why?

c) Ichhadi:

- Kama – Desire.

d) Raagadhi:

- Attachment.

e) Sukhadi:

- Pleasure, etc...Pain, Anger...

- Both cause pain.
- In Sleep, Mind not functional, free from emotional problems, temporary, incidental.
- Attributes come and go, not my Nature.

f) Yasmat Prasuktav Tat Abavaha:
- Prasukta – Deep sleep, Dreamless sleep.
- Since they are absent in Deep sleep.
- In Nidra Avasta, Tad Abavaha.
- How you know they are absent?

g) Sukham Svarupaha Paraha Vibavyate:
- Because of their absence, we experience ourselves as the happiest one.
- Vibavyate – clearly experienced.

Paraha:
- Real I, Problem free I, superimposition free I is Really experienced in Sleep.
- Therefore, all emotional problems not my problem.
- Based on these, never say I am Samsari.
- All pain is added to me, superimposed upon me and I become miserable.
- Why emotions not my intrinsic Nature?
- In sleep it is not there.
- If you say I am Samsari, it is cognitive mistake like saying Sun is rising and setting. It is such a mistake.
Verse 40:

The light of pure Consciousness reflected in the intellect, which is born out of beginningless ignorance, is called Jiva, the individualized ego. The Self as a mere witness ever revels as separate from the intellect. That which is thus not conditioned by thoughts is, indeed, the Paramatman, the supreme Self. [Verse 40]

- How am I pure unlocalised Consciousness and Vyavahara is conducted by Body-Mind inert complex?
- I am uninvolved Consciousness and in my presence, Body Mind Complex does all actions.

Example:

- In presence of Sun, people active, when Sun sets, Vyavahara comes down.
- No action belongs to Sun.
- By themselves Body Mind complex inert, can’t do deliberate, thoughtful activity.
- I bless Body Mind Complex with my Reflection by my mere presence.
- Reflection automatic in Mirror, not will based, deliberate action.
• Chidabasa formed in Body Mind mirror, then Body Mind sentient.
• Chidabasa formed in matter Body Mind complex is called Jiva = Localised Reflection of Consciousness.
• It is not Body or Mind but Reflection.

Mind 1

Body 2

Chidabasa, Reflected Consciousness 3
= Jiva, localised.

Independent Consciousness, unlocalised,
Atma Chaitanyam - 4

• Jiva travels from Singapore to America when Reflected Mind travels, Bhuloka to Svarga Loka.

Anubhuti Prakasa – By Vidyaranya :

• Chaitanya Pratibimba, Chit Abhasa Loka Sanchari Bavati.

a) Ayam Chitaha Prakashaha :

• Prakashaha – Pratibimba, Reflection.
• Body – inert bundle of chemicals.
• We can feel sentient life because of mysterious entity called Atma pervading it.
• Live or Dead body inferred because of presence or absence of function.
• Life = Chaitanya Pratibimba formed in inert bundle of chemicals, intimately felt.

b) Iryate Jivaha:
• Called Jiva.
• Sunlight Reflected in Mirror will travel wherever Mirror goes.
• Sun stationary, Pratibimba travels.
• Where is Reflection formed?

c) Buddhitayaha:
• In the Mind which represents Sharira Trayam.

• If Satya Mithya Bheda is not remembered, Vedanta will not work.
• There is Bheda from Vyavaharika Drishti which we accept, hence start class with Prayer.
• From Paramartika Drishti we have to downplay Vyavaharika Bheda.
• After waking up, dream has to be downplayed.
• How should we assimilate Aikyam?
• Don’t mix Vyavaharika + Paramartika and get confused.
• Jiva different from Ishvara.
• Parichinna Jiva travels from one Loka to another, not Original Consciousness.

a) Jiva – Definition:
• Anaadi Avidya Udbava Buddhhi Bimbita Jiva – Chitaha Ayam Prakasha Jnanaha Iti Ishyate.

How mind comes into being?
• Mind born out of Maya, matter.
• Jiva is Consciousness reflected in Mind which is born out of Maya and which Maya is beginningless, Anaadi.
• Jiva will travel but you are not Reflected Consciousness but Original Consciousness.
• Don’t mistake yourself to be Reflected Consciousness.
• While dropping 4 factors and claiming Original Consciousness as my nature, what happens in the mind of Listener?
• Jiva is Reflected Consciousness born out of Original Consciousness.

b) Buddhi Bimbitaha:
• For Reflection, Buddhi is required, finite Sukshma Shariram.
• How did mind come?
c) Anaadi Avidya Udbavaha:

- Mind born out of beginningless Maya.
- Anaadi Maya is matter in Nature, inert, Mind also matter, inert.
- In material mind, Original Consciousness is Reflected.
- Material Mind becomes like sentient Mind.
- Live Mind = Jiva Mind and Reflection goes from Loka to Loka.

Gita:

```
ममेवांशो जीवलोके
जीवभूत: सनातन: ।
मन: पश्चानीन्द्रियाणि
प्रकृतिरस्थनि कर्षति ॥ १५-७ ॥
```

```
mamaivāṃśō jīvalokē
ejivabhūtaḥ sanātanaḥ|
manahṣaṣṭhānīnīndriyāṇi
prakṛtisthāni karṣati || 15-7 ||
```

An eternal portion of Myself, having become a living soul in the world of life, abiding in prakṛti, draws (to itself) the (five) senses, with mind as the sixth. [Chapter 15 – Verse 7]

- Amsha = Pratibimba
- Never claim yourself as Jiva Pratibimba but Original Consciousness without travel.
- Everything travels in me – Atma, Original Consciousness.
d) Dhiyaha Sakshitayaha Pritak Chitaha :

• Original Consciousness is not in the intellect, it is distinct from the Mind.
• Reflected Consciousness alone is in the Mind.
• Reflected face in Mirror, reflection subject to problems depending on condition of Mirror.
• Mirror shaken, Reflected face shakes.
• Original face unaffected.
• Claim Original Consciousness as yourself.

e) Atma Dhiyad Saksitaya Pritak Chitaha :

• In Atma, no physical distance between Mind and Atma.
• Prithak means not away here but distinct from Mind. How do I remain?

f) Sakshitaya :

• As witness of Mind.
• Sakshi lends Reflected Consciousness to Mind.
• My sentiency falls on Mind.
• Because of me alone, Mind has become alive, is Sakshitvam.
• This Sakshi is Budhya Aparichinnaha.
• I, Original Consciousness am not limited by dimensions of the Body-Mind unlike Reflection.
• Reflection always confined to Reflected Mind.

• I am distinctly different.

Sushupti:

• Mind destroyed, Reflection destroyed, no more feel individuality, I am father goes away, transactions end.
• Every transaction requires individuality.
• I continue to survive as Original Consciousness without any transactions, Avyavaharam.
• Transactions require Reflected Consciousness + Mind.
• I am free from transactions but am not destroyed.
• To say I am transaction free Original Consciousness requires Mind.
• I exist = Brahman = Original Nature.
• I remain as Original Consciousness without transaction, Real Nature, Paramartikam.

I do nothing at all, thus would the harmonised knower of Truth think – seeing, hearing, touching, smelling, eating, going, sleeping, breathing... [Chapter 5 – Verse 8]

- I am Asanga Atma – ever remembered. Then Movie/Drama fun, otherwise tragedy if Role mixed up in the middle.

g) Bodhya Apari Chinnaha, Paraha :

- Paraha – transcend Body-Mind + Chidabasa.
- Absolute Atma I am.

h) Saha Eva :

- That Atma you are.
Consciousness of the Self and the inertness of the intellect, due to their mutual proximity, get mutually superimposed, just as iron pieces glow in the fire. The product is the intelligent ego, a product of illusion. [Verse 41]

- Need not change profession, Ashrama, transaction.

Vedanta Perspective

Vyavaharika Satyam
- Jivatvam
- Mithya
- Vesham
- Drama

Paramartika Satyam
- Atma.
Upadesa Sahasri:
• Valmiki Ramayana, Rama forgot his Avatara Role.
• Brahmaji appears and takes him to Vaikunta, green room.
• Only reclaim your Glory here.

a) Prasangam:
• Mixed up, Anyonya Adhyasa, Tadatmyam of Chit – Bimba – Sakshyatama Dhiyam.

b) Chit Bimba:
• Reflected Consciousness – Jivatvam Mithya.

Samyatma:
• Original Consciousness – Atma Satyam.

Dhihi:
• Reflected Mind – Mind.
• Satyanrutam – Got mixed up.

c) Ekatra Vashat:
• Because of their proximity.

Example:
• Anala Akta Lohavat.
<table>

- Because of Proximity, attribute transferred (Anyonya Adhyasa).

**Example:**

I) **Sun Rise – setting.**
   - Movement of Earth transferred to Sun.

II) **Madras has come in Train**
   - Train movement transferred to Madras.

III) **Where does this Road go?**
   - I go – transferred to Road knowingly using expressions is fine.

IV) **Iron ball associated with Fire.**
   - Similarly we say conscious Body, Consciousness taken as attribute of Body.
   - Body never conscious, Consciousness is distinct from Body.

d) **Anonya Adhyasa Vashat Dhiyate:**
   - This misconception happens because of mutual confusion (Anyonya).
   - Transference of Atma – Anatma is Mutual, 2 way traffic.
I) Atma to Anatma:

<table>
<thead>
<tr>
<th>Anatma</th>
<th>Atma</th>
</tr>
</thead>
<tbody>
<tr>
<td>- Body</td>
<td>- Sentient</td>
</tr>
<tr>
<td>- Insentient</td>
<td></td>
</tr>
</tbody>
</table>

- We transfer sentiency to Body and think Body is sentient itself.
- Chit transferred from Atma to Anatma.
- Body exists, existence from Atma transferred to Body.
- Existence is a separate entity, transferred to Body, Anatma.
- Dream tigers existence borrowed from Waker.
- Waker gives Existence to Dream Tiger.
- Waker gives Consciousness to Dream.
- When Waker wakes up, Dream Tiger looses Consciousness and Existence.
- I – Atma lend sentiency and Existence to Anatma.
- 1st transference is Sat Chit from Atma to Anatma Body-Mind Complex.

II) Anatma to Atma:

- Body is born, we think Consciousness is born.
- We talk of arrival of Consciousness as an event.

Scientist:

- Life originates after Matter.
• Matter soup existed before, then Life – Consciousness emerged.
• Disappearance of Conscious person is wrong expression.
• Arrival and Departure of Anatma transferred to Consciousness.
• Similarly limitations of Body, Mind attributed to Consciousness.
• We think Consciousness is located in the Body, there are many bodies, plurality transferred to Consciousness.
• Limitations, Modifications, Plurality of attributes of Anatma transferred to Atma.
• Messing up is complete.

**e) Chidatma Chetaso Jadam Ajadatvam Pratiyate :**

<tbody>
<tr>
<td>- Atma</td>
<td>- Mind</td>

<tr>

</tbody>
</table>

• Jada – Ajadatvam = Sentiency + Insentiency.
• I am Consciousness, I am not localised, I am all pervading Consciousness.
• Mahavakya Vichara which comes under Sravanam, Mananam, concluded here in this verse.
When, through the grace of the guru, and also by deep contemplation upon the suggested implications of the great Vedic statements, the direct experience of Brahman is gained, the individual comes to “see,” in his own heart, the pure Self, which is devoid of all conditionings. Therefore, let him give up the entire inert world perceived through the sense organs. [Verse 42]

- Vedanta prescribing only perspective change based on knowledge given by Vedanta.
- Change attitude towards myself and the World.
- If I am Body-Mind, Reflected Consciousness and World can persecute me.
- If I am Body, Life no more under my control.

**Body controlled by 3 factors:**
- Desha, Kala, Prarabdha.
- Never free Person.
- Desha determines colour of skin, Kala – Old age, Prarabdha brings effects of Rahu, Ketu.
• Only thought I have in the Body is utter helplessness.
• To claim freedom, I can only claim as Atma.
• Atma unaffected by Desha, Kala, Prarabdha.
• Jnani suffers other persons sufferings.
• Jnani has to go through conditions of sympathy, compassion, empathy.
• From standpoint of Body + Mind, can never be 100% free.
• Only as Atma can claim freedom.
• As Atma can challenge the World.
• We have orientation developed through many Janmas.
• Therefore, Sravanam, Mananam, Nididhyasanam is a long process.
• Jnana Nishta Abhyasa, life long process.

a) Guroho Sakashat Api:
  • Receiving teaching from Guru.

b) Sanjata Vidya Anubava:
  • Knowledge has to arise in the Mind.
  • I am mixture of Nitya Atma and Anitya Shariram.
  • I am Body, I have Atma as a 3rd person.
  • I am Mortal, My Atma is immortal – wrong expression.
• I am Atma, Body is Mortal is Natural process, not a tragedy.
• In every experience, in the back of the Mind, Thambura Sruti... should go on... Aham Asanga, Nitya, Budaha, Shuddaha, Mukta, Sanchita – Agami – Prarabda Rahitaha.

Aparokshatvam:
• Never use Atma as 3rd person.
• Convert it into 1st person singular.

Not say:
• Consciousness is all pervading.
• Consciousness pervades Body.

Say:
• I am all pervading.
• I pervade Body – Mind complex.
• This conviction is called Anubavaha Aparokshata.
• When problems in family, business... require extra practice of Nididhyasanam.

Iron:

• Can’t do Nididhyasanam by proxy like in Navrathri, Devi Mahatmya Parayanan.
• Call priest and offer Dakshina.
• **Karma Khanda**: Proxy possible
• **Jnana Khanda**: Proxy not possible.
• Guru can’t do for Sishya.
• **Nididhyasanam**: Sishya Instead of saying I am the Body, says I am in the Body.

**Gita:**

```
sarvakarmāṇi manasā
sannyasyastē sukham vāṣī |
navadvārē purē dēhī
naiva kurvanna kārayan || 5-13 ||
```

Mentally renouncing all actions and fully self-controlled, the embodied one rests happily in the city of nine gates, neither acting nor causing others (body and senses) to act. [Chapter 5 – Verse 13]

c) **Svatmanam**:

• Atma has Sthanam – Residence.
• Here Atma is Body – Mind complex.
• Atmastham = Sharirastham.
• I reside in temporary Sthula, Sukshma, Karana Shariram and Prapancha.
d) Upadhi Varjitam:

- I survive even after Body goes away.
- I am free from all relationships with the Body.
- I am in the Body but not related to the Body or connected to the Body.
- Space in the Pot, not connected to the Pot.
- Pot goes away, space remains the same.
- Water connected to Pot – Pot breaks, Water goes away.
- I am the Space like Consciousness in the Body but not linked to the Body.
- Residing in the Body, holding such a Body, I am not connected to the Body.

e) Atma Agocharam Jadam:

- Jadam seen, perceived by oneself.
- Atma not seen, Agocharam.
- Only understand Atma.

f) Jadam Tyajet:

- Give up relationship with Shariram and claim Atma.
- I – Original Consciousness alone is the Absolute Reality.
- I am all pervading like Akasha, not confined to Body.
- 3 Sharirams + 3 Prapanchas are lower order of Reality.
- Whatever happens in that plane is not under my control.
### Vyavaharika
- Things controlled by Desha, Kala, Karma.
- Freewill is one of the minor controlling factors.
- Freewill can’t control at individual or cosmic level.

<table>
<thead>
<tr>
<th>Vyavaharika</th>
<th>Paramartika</th>
</tr>
</thead>
<tbody>
<tr>
<td>- I am Atma, beyond control of Desha, Kala, Karma.</td>
<td>- Svatantram.</td>
</tr>
</tbody>
</table>

- Ideal use of freewill = To know, I am not affected by Vyavaharika events.
- Use freewill only in the field of Knowledge, to know whatever happens in Vyavahara does not affect my higher Nature.
- Affects refugee camp, shelter.
- Dwell on higher Nature when problems in Vyavaharika field.

**Example:**

<table>
<thead>
<tr>

Nididhyasanam is dwelling in Teaching so that we will get habituated in remaining in higher Nature.

**Vivekachudamani:**
- Nididhyasanam is dwelling on teaching through repeated hearing, reading, writing, teaching, discussion with students called Samadhi Abhyasa (also known as Vedantic Meditation for Assimilation).
- Need to give Quality time.
- Only through Nididhyaasanam, assimilation is possible.
- Nididhyasanam works only if Sravanam and Mananam done systematically.
- With systematic study get 2 fold convictions.

I) **Consciousness part only my Real Nature.**
- Anatma part is temporary shell over which I don’t have over attachment.
- I am mixture of Atma and Anatma.

**Gita:**

```
शनैः शनैरुपरमेद्रु
बुध्या धृतिगृहीतया।
आत्मसांस्तर्थं मनः कृत्वा
न किच्चिदिद्धिपि चिन्तयेत् ॥ ६-२५ ॥

```

Little by little, let him attain quietude by his intellect held firm; having made the mind established in the Self, let him not think of anything. [Chapter 6 – Verse 25]
What is job in Nididhyasanam?
Jadam Asesham Tyajet.
Drop obsession with inert Body, Mind complex (Anatma), which includes Relations and possessions.
Asangatah.
Give up worry on Anatma, not become irresponsible.
Performance of Duty does not mean one should worry.
Worry is because of attachment.
Give up obsession, worry will go away.
Worry less duty is benefit of Nididhyasanam.
Jnani = Responsible person.

Anatma Definition:
Beginning from Body to World – Gocharam, object of Consciousness, Drishya Prapancha (World, Body, Mind).
Handle them, don’t be obsessed with them.
Sit in Meditation, Mind should easily withdraw from Anatma.
Otherwise, worries will constantly occupy Mind.
When Mind is free, object of attachment – friends, business, children, parents, enter the Mind without permission and occupies my Mind.
Clear encroachment without permission.
You ask them to go away, they remain... this is called obsession.
Giving up this requires practice for Janmas.
Verse 43: Very important verse

Principle of Nididhyasanam:

- Whatever object, Mind dwells on more time, will become more Real for me.
- Out of Mind / sight, less Real.

Example:

- Sister in London, no interaction, Unreal as far as emotions are concerned.
- Neighbour, interact daily, more Real as far as emotions are concerned.
- What Mind does not dwell, is as good as non-existent.
- Jagat Satyam, Brahma Mithya

I am self-effulgent. I am unborn. I am the One without a second. I am the ever-resplendent light of Consciousness. I am extremely pure, the uncontaminated mass of pure Consciousness. I am holy, infinite, blissful, and actionless. [Verse 43]
• Jagat – Deal with it all the time.
• Brahman, once a week, one hour in Class.
• Why this happens because Mind dwells more on the World.
• Learn to drop Anatma as Mithya.
• Learn to claim your higher Nature.
• What is higher Nature?

a) Aham Praksha Rupaha:
• I am like light principle.
• Learn to dwell on that by reading, writing, hearing, talking.
• Posture not important, Mind should dwell on the fact.

b) Aham Ajaha:
• I am birthless, body is born, grows old and goes.

c) Aham Advayaha:
• I am seconless Consciousness, nondual Consciousness.
• Bodies many, Consciousness one.

d) Askrut Vibataha:
• Consciousness is eternally always illumining, effulgent.
• Mind sleeps, wakes up in Jagrat and Svapna.
• Mind has 2 Nature – waking, sleep.
e) Aham Nirmalaha:
   • I am extremely pure without Raaga.

Nirvana Shatkam:

I have neither dislikes nor likes, neither greed nor delusion, neither pride nor jealousy. I have no duty to perform, nor any wealth to acquire, I have no craving for pleasures and the Self is never bound, so I have no desire for Liberation. I am of the nature of pure Consciousness and Bliss, I am all auspiciousness, I am Siva. [Verse 3]

f) Vishudha Vigyana Ghanaha:
   • I am pure without adulteration, homogeneous, unmixed with matter.
   • Matter is Mithya, Consciousness is Satyam.
   • Mithya can’t pollute Satyam.
   • Movie waterfall or rain can’t wet screen.
   • Similarly, I am ever unadulterated.

g) Nir-Amaya:
   • Amaya = Disease, Samsara, Bava Rogaha.
   • Nitya Mukta Svarupaha.
h) Sampoornaha:

- Don’t lack anything in life.
- Body – Apoorna, has deficiency.
- Mind and Intellect – Apoorna, has deficiency.
- From Atma Drishtya Sampoornaha, therefore,

i) Anandamaya:

- Ananda Svarupa, not Kosha here.
- In Tattva Bodha, Kosha, therefore,

j) Akriyaha:

- Free from all Karma, Akarta, Abokta.
- It will be a joke if you don’t dwell on this often.
- When you dwell regularly, this becomes Real, and problems in life become a joke.
- Later, World is a pinprick, Vedanta Atma Real.
Verse 44:

I am ever liberated. I am the power behind the universe which no intellect can comprehend. I am that pure Knowledge which is beyond all sense organs. I am immutable, endless, and shoreless. The erudite scholars of the scriptures meditate upon Me, day and night, in their hearts. [Verse 44]

- Another Meditation for Nididhyasananam.
- Which one I choose depends on problem which is overwhelming me in my Life.

a) Aham Sada Eva Muktaha:
- I am eternally liberated.
- Mind usually postpones liberation
• Will I get liberation?
• When Moksha? Next Janma?
• Liberation not a future event but fact Now.
• Claim now or never going to claim it.
• Liberation depends only on claiming, not on time.
• I am free here and now.
• Nididhyasanam is to orient Mind to say “Liberation is my Nature”.
• Limitless has been made limited by Maya, nondual has been made dual by powerful Maya.
• Maya will never allow me to claim my Glory.
• I am Ishvara himself.

b) Ati Indriya Jnanam :
• Knowledge beyond the reach of senses.
• Can’t be generated or objectified by sense organs.
• Suprasensuous Knowledge.
• Shudha Chaitanya Svarupam.

c) Avikriya Atmakah :
• I am Nature of changelessness, eternity.
• I am beyond time, free from modifications.
• Vikriya = Modification.
• Timelessness is my Nature.
• Time is of lower order of Reality. It does not affect me.
• Time exists in me, I am higher order.
• Time can’t affect me.
• I am conscious of time and timelessness.
• Day and Night caused by Sun, Tithi, Paksha caused by Moon.
• Shiva = Chandrashekara, one who wears Sun and Moon on his head as Ornament.
• Not limited by Time.

d) Ananta Aparaha :
• Shoreless, borderless.
• Not limited by space.

Bhattahari – 1st Verse of Narayaneeyam :

The Brahma Tatwa, which is dense concentrated Bliss, which is of the nature of the Pure Consciousness, This Brahma Tatwa which is not easy to grasp. Even the Vedas cannot fully comprehend or describe it but it can be attained through single minded devotion by the true Bhakthas of Lord Krishna in the Guruvaayur temple. Oh! What good fortune for the people who seek thy Grace
• Infinite Guruvayurappan starts here in Guruvayur.
• Aham to be added in all – I am infinite, eternally free.

e) Aham Aharnirsaṃ Buddai Vibhataha :
• I am the ultimate Truth meditated upon by all wise seekers.
• I am worshipped Paramatma not worshipper Jivatma.

Ahar Nisham :
• Day and Night worshipped.

f) Hridhi Veda Vadabihi :
• Meditated by learned scholars in their hearts.
If we continuously expose the mind to the thought “I am Brahman,” the special knowledge that arises removes, in a sudden flash, all spiritual ignorance and its consequences, that is, the perception of plurality – just as medicine taken regularly removes the disease and itself gets eliminated, all by itself. [Verse 45]

- Success in Nididhyasanam depends on Quantity and Quality time you devote.
- Intelligence plays big role in Sravanam and Mananam.
- Jnana Nishta is Nishchayena Avasthanam.
- Jnanam should be soaked in Antahkaranam like Nellikai in oil.
- How to soak mentioned in 43rd and 44th Verse.
- Nitya Shuddham should come in the Mind, not family problems.

a) Evam Sada Atmanamakah Manasam Vichara:
- Dwell always on this fact, I am free by Nature.
- One takes Sanyasa for Nididhyasanam.
How to do Nididhyasanam?

b) Akhandita Atmanam:
- Without Distraction.
- Every Duty is a distraction.
- Reduce Duty, handover children to God, drop worrying.
- Learn to get undisturbed Mind.

Mananam:
- To satisfy intellect of Pramana Asambavana ‘Doubt’ – Why accept Vedanta?
- At end of Mananam, 100% conviction of Aham Brahma Asmi.
• Nididhyasanam not to improve conviction.
• Let teaching become a habit, way of life.
• Developing habit takes time.
• Brahman – Not 3rd entity.
• Look at myself as Shudha, Nitya, Mukta, Atma.
• Develop new perspective with respect to myself.

Moksha:
• Reorientation of self image.

Akhandita:
• One unbroken single thought pattern on Atma to the exclusion of other thoughts.
• I am free, secure, complete.
• Ekagra Vritya Dhyanam.

b) Vishudha Bavaha Udeti:
• For such a person, who does ‘Nididhyasanam’, Atma Jnanam rises, becomes 2nd habit.
• I am not so and so wife, husband.
• Today, I am father, facing so and so problems is Ahamkara centred Nididhyasanam.
• It has to be transformed into - I am Atma centred Nididhyasanam.
• No Asanam, posture, etc required.
Mind naturally centred on

- Ahamkara
- Sakshi

Now

Nididhyasanam

Vishuddha means Knowledge free from 2 obstacles:

2 obstacles

- Samshaya Nivritti
  - Lack of conviction.
  - Doubt, removed by Mananam.
- Viparita Bavana Nivritti
  - Mistaking myself by habit as Ahamkara.
  - Branthi, delusion, Ahamkara hangover.
  - Dehatma Bavana.
  - Removed by Long Nididhyasanam.
  - Spiritual prodigy, Yoga Brashta need only “Nididhyasanam.

• Obstacle free Knowledge alone helps you to claim Moksha.
• What will Knowledge do?
c) Hanyat Avidyam Achirena:

- Sphuta Jnanam will destroy ignorance.
- Tamasa Pratyaya, Samshaya Pratyaya, Viparitaya Pratyaya (ignorance, doubt, old habits).
- All put together is called Avidya.
- Vishudha Atma Hanyat in Gita is Sthira Pragya, Brahma Sthithihi, Brahma Nishta, Jnana Nishta.
- Destroys Avidya.
- How long will it take?
- Achirena – Soon.
- Strong emotions take time.
- Mind is a resilient instrument, can get out of worst Trauma.

d) Karakaiyi:

Accessories of Activity = Vibakti

- Prathama
  - Kartru-karaka
  - Subject
- Dvitiya
  - Karma Karaka
  - Object
- Tritiya
  - Karana Karaka
  - Instrument
- Chaturtha
  - Karaka
  - Beneficiary
- Pancha
  - Karaka
  - Locus
• Final meaning of Karaka = Duality.
• This knowledge destroys Dvaita Prapancha, cause of Limitation and Bondage.
• Where Duality, Time, Space comes into Existence.
• In Sleep, Mind not operational, no time, space, limitation, no sorrowful sleep.
• In Waking and Dream, Mind activity, Time, Space plurality comes, Dvaitam comes, insecurity, limitations come, Yama comes.
• Moksha is transcending Time and Space Duality.
• Knowledge destroys Sarva Karakam.
• **Example**: Rasayanam Yadvatu Upasitam Rujah.
• Medicine removes disease, destroys disease.
• Jnanam destroys Bava Rogaha.
• Destruction total when you complete the dosage of Antibiotic.
• With Tat Tvam Asi – Dosage, Pathyam, restrictions given – Do’s and Dont’s.
• Sadhana Chatusthaya Sampatti in Brahma Sutra, Values = Pathyam, Sravanam = Course of Medicine.
• When Ahamkara removed, remain alert for sometime.
• **Yadvatu Upasitam**: Followed for length of time.
• Time proportional to intensity and length of Disease.
• Samsara Disease – takes many Janmas to cure.
Settling oneself down in an undisturbed place, quieting the sense organs from all disturbances of sense objects, holding the body steady and unmoving, calming the mind from all its oscillations – established in the pursuit of steady meditation and withdrawn from all other yoga-means – one should steadily contemplate upon the one Self, the spring of life within. [Verse 46]
Samadhi Abhyasa:
a) Asinaha:
   • Sitting in proper posture.

b) Uparata Indriyaha:
   • Withdraw sense organs from other activities.

c) Vinirjita Atma:
   • Atma here is Mind.
   • Restrain, Withdraw mind from all external fields deliberately.

Kaivalya Upanishad:
   • Temporarily become Sanyasi.
   • All relations snapped, corporate and family for 15 minutes.
   • Keep Guru, Shastra, Ishvara Sambandha.

d) Vimala Antarshaya:
   • Look into your Mind and see if any emotions disturbing, preoccupied with Anxiety, fear, tension, worry.
   • Remove them through Vairagyam.
   • Every disturbance caused by attachment.
   • Handover all emotions to the Lord.
Verbalise and tell:

- Oh Lord, for 15 minutes take away my emotions, I am giving all emotional disturbances to you, Now I am relaxed.
- Statement brings calmness to Mind, it simply works.
- Vimala – Disturbance free, stress free, calm, relaxed mind.
- Antarshaya – Antahkaranam, Mind.

**Nirvana Shatkharm:**

I am not the mind, intellect, ego or memory (the four aspects of what is known as antahkarana). Nor am I (the five organs of perception) the ear, tongue, nose, eyes, (or skin), nor (the five elements) the space, earth, fire, air and water. I am pure Knowledge and Bliss, I am Siva, auspiciousness itself. [Verse 1]

**f) Ananya Sadhanaha:**

- These are positive thoughts to be entertained in the Mind.
- Vibavaye – Deliberately think of oneself, yourself.

**Manobuddhyahamkāra chittāni nāham na cha śrotra jihve na cha ghrāṇanetre
na cha vyoma bhūmir-na tejo na vāyuḥ

I am not the mind, intellect, ego or memory (the four aspects of what is known as antahkarana). Nor am I (the five organs of perception) the ear, tongue, nose, eyes, (or skin), nor (the five elements) the space, earth, fire, air and water. I am pure Knowledge and Bliss, I am Siva, auspiciousness itself. [Verse 1]
Example:

- You can start with ‘Om Nama Shivaya’.... go to silence between 2 Namas.
- Nama dropped, come to silence, Name is stepping stone for Vedantic Meditation.
- In silence, invoke Vedantic teaching, mental silence of blankness.
- Mental silence is known because of Consciousness.
- Silence is pervaded by Consciousness.
- We say Hall is empty. Emptiness illumined by the light.
- Similarly silent Mind pervaded by Consciousness.
- Silence is Consciousness, Consciousness is my Nature, not disturbed by any event.
- Thoughts can’t pollute Consciousness like dirt can’t pollute Akasha.
- Unpollutable, Undisturbable Consciousness I am.

g) Atma Samsthitaha:

- One abides in his own true Nature by repeating I am Sakshi Atma.
- Repeat by seeing meaning.

h) Vígyana Drk:
   - I am witness Consciousness, I am not affected by whatever I witness.

i) Kevalaha:
   - I am without 2nd Real thing.
   - Many secondary things like inert Body, World, Mind, but Unreal, Mithya.

Dakshinamurthy Stotrams:

He who experiences at the time of realization his own immutable Self-in which the Self alone plays as the universe of names and forms, like a city seen in a mirror, due to the maya power as though produced outside, as in a dream, to him, the divine teacher, Sri Daksinamurty, is this prostration. [Verse 1]

- Chant and see Meaning, wonderful verse for Vedantic Meditation.
- World floats in Me, Consciousness.
- I am like the screen, Kevalaha Aham Asmi.
This dynamic world of things and beings perceived by us is nothing but the supreme Self. One should merge it into that Self, the cause of all. He who accomplishes this in himself is merged into the limitless, blissful Self, and remains “knowing” nothing of his outer or inner worlds of plurality. [Verse 47]

**Tips for Vedantic Meditation and process of Meditation:**

- Dissolve entire inert World into Atma, yourself, like Waker dissolves Dream World onto himself.
- Wake up to Consciousness.

**Kaivalya Upanishad**:

Mayyeva sakalam jatam mayi sarvam pratiṣṭhitam |
mayi sarvam layam yati tadbrahmādvyamasyaham || 19 ||

In me alone everything is born; in me alone does everything exist and in me alone gets everything dissolved. I am That non-dual Brahman. [Verse 19]
See the Fact:

- World is object of Paramatma, I, Atma, Consciousness.
- Paramatma Darshanam means Paramatma is Illuminator.
- World is that for which Paramatma is the illuminator.
- World is illumined by Paramatma, it is object of Paramatma.
- Who is Paramatma?
- I the higher Consciousness and Drk the Observer.
- Waking World is observed like Dream world, Dream Universe.
- By spiritual Waking, may you dissolve this World into yourself by seeing the fact that World is mere Nama Rupa.

a) Vilapaye Atmani:

- Dissolve into yourself.
- What type of yourself?

b) Sarva Karane:

- Which is ultimate cause of the World.
- World is effect, “I” the Chaitanyam am the Cause.
- World is Nama Rupa like Pot / Ornament.
- “Karyasya Nama Rupa Darshane Karyasya Karana Layane Sambavati”.
- Sarva Karane – Resolve into yourself, the ultimate cause, Consciousness.
Whenever everything resolves, there is no 2nd thing.
No ornaments other than Gold.
No 2nd thing to hurt me. Therefore Aham Poornaha Asmi.
Poornam is sweet, may you relish that in Meditation.
Mind should dwell on teaching = Nididhyasanam.
Formal Nididhyasanam = Samadhi Abhyasa, Gita Chapter.6, Mandukya Advaita Prakaranam, Vivekachudamani and here in Rama Gita.
Practice by remaining absorbed in Vedantic teaching.
Completely forgetting the surrounding.
Use Preliminary steps in Patanjali’s Ashtanga Yoga – Yama, Niyama, Asana, Pranayama, Pratyahara.
Body erect, withdraw sense organs, Ashtanga Yoga Dvara – Samadhi Abhyasa.
Be aware of the purpose of Samadhi Abhyasa.
This must be very clearly remembered in Samadhi Abhyasa.
What is the Method?

a) Vishvam Yat Etat Paramathma Darshanam:
Turn your attention to this Universe first.
What is the Universe?
Paramatma Gocharam = Object of Paramatma, Consciousness Principle.
• Bahuvrihi Samasa.
• Drishya Vishayam, Paramatma Darshanam Prakashakam Yasya Paramatma Darshanam.
• Paramatma Basyam Drishya Vishayaha.
• Entire Universe is object of Consciousness, experience.
• Includes my own Body, Mind, and World as object.

</tr>

<td>- Consciousness</td>
<td></td>

</tbody>

• What you should practice in Meditation?
• Atmani Vilapaye.
• Dissolve objective Universe into the Subject, Consciousness, reduce into Nama Rupa.
• Dissolving means – there is no substance called Pot, ornament, furniture, substance is Clay, Gold, Wood.
• No World called Jagat but only Chaitanyam.
• Dissolve World into Consciousness means see World as Nonsubstantial Nama Rupa.
• There is only one substance called Atma Chaitanyam.

**Fundamental law of Vedanta:**
• Karanam alone substance behind Karyam, Nama Rupa.
• Understanding this, is called Pravilapanam.
• How to accomplish this?
• By Omkara Technique.
• When I resolve World into me, Who am I?

d) Poornaha:
• If any object, stands away, distance created, I become Apoornaha.
• I work for Poornatvam by grabbing and adding without knowing my Nature.
• World resolves into me. No World separate from me the Chaitanyam.
• All Dream World doesn’t stand separate from me on waking up.
• Therefore, Aham Poornaha, I am Adhishtanam, Chidanandaha.
• When I see separation, division, then only Dukham, miss objects.
• I am deficient without objects, have “Kurai”.

e) Chidananda Mayaha, Svarupaha.
f) Avatishtate:
• Dwell on this fact in Samadhi Abhyasa.
• Say I don’t miss anything in life, don’t lack anything.
• Repeat this in early hours of the day to the exclusion of all other thoughts.
• Let It enter the innermost mind.
• Gets imprinted in the Mind.
• All Kurais, longings are deep scars which are rubbed off only in Samadhi Abhyasa.
• I don’t lack anything.
• Spend hours on this thought pattern to the exclusion of all other thoughts.

g) Na Veda Bahyam :
• Don’t think of anything else external.

h) Na Cha Kinchit Aantaram :
• Doesn’t think of anything internal.
• Neither Chintanam of Bahya Vishaya or Aantara Vishaya.
• Past experiences in memory, guilt, hurt disturbs us.
• We need to forget all these and internalise what I have learnt in Vedanta.
• Samadhi not meant for extraordinary experience for confirming Advaitam, not for validating Vedantic Teaching.
• These are misconceptions.
• Patanjali, founder of Samadhi Shastra talks about Dvaitam as Reality.
• Samadhi only confirms what you have already learnt.
• Advaitic Knowledge which is received from Sruti is internalised, assimilated.
Before reaching this state of total absorption (samadhi), contemplate upon the entire universe of names and forms, the moving and the unmoving, as nothing but Omkara. Om is a sound symbol representing the entire world. This (duality) appears due to ignorance and not after direct Knowledge. This practice is valid only before direct knowledge; never after-wards. [Verse 48]

1st Stage:

- Aum + Jagat = Creation.
a) Samadhehe Purvam:
   • Before starting Samadhi, visualise.

b) Akhilam Sa Chara Acharam Jagat:
   • Whole Universe consisting of
     Charam – Acharam
     Moving – Nonmoving
     Sentient – Jadam
   • All Rupams together = Jagat.

c) Tad Eva Vachyam Pranava Hi Vachakaha:
   • Entire Universe consisting of Samastha Rupam = Vachyam = Padaratham, objects revealed.
   • Every Padartha word must have Pada to reveal – object to reveal.
   • Pranava Hi Vachakaha.

Meditate:
   • I – Chaitanyam am not affected by any experience.
   • Good bad Experiences can’t taint me – Asangoham.
World =

- Om Kara = Samastha Nama = All Names Together.
- Jagat Vishwam = All objects / Rupams put together.
- Universe = Nama – Rupa Prapancha.

d) Vibavye Iti – Nama Rupa:
- Prapancha is visualised, perceived because of

e) Agyana Vashat:
- Ignorance, Maya.
- Jagat and Svapna perceived because of ignorance / Maya.
- Nama - Rupa is Mithya, non substantial, does not have existence of its own.
- Tangible in Dream, wake up, dissolved in Waker.
- Agyana Vashat Vibhavyate.
- Bodhata Na Vibhavyate.
- On waking up, whole Universe dissolved, Nama-Rupa dissolved, Mithya dissolved.
- Omkara Technique used in Samadhi.
The rishis of the Vedic period declare that a-kara represents the waker, u-kara represents the dreamer, and ma-kara, the deep sleeper, and all their respective experiences. These distinctions are all valid only before samadhi, never in the absolute nature of reality. [Verse 49]

For Convenience of resolution, universe divided into 3 layers:

- **3 Layers**
  - **Sthula Prapancha**
    - Tree form
    - Adult
  - **Sukshma Prapancha**
    - Plant form
    - Baby
  - **Karana Prapancha**
    - Seed form
    - Womb
Srishti Krama:

- From Karana, Sukshma evolves.
- From Sukshma, Sthula evolves.
- Layam – Pravilapanam Krama.
- Dissolution – Reverse order = Sthula – Sukshma – Karana.
- Put on : Banyan, shirt coat.
- Remove : Coat, Shirt, Banyan.

Names - 3 Layers

Nama:

- A - A
- U - U
- M - M

Sthula Prapancha
Sukshma Prapancha
Karana Prapancha

Join 3 = Ohm = Total Prapancha

What is job in Meditation?

- Resolve U [U] into M [M].
- Resolve Sthula Prapancha into Sukshma, Sukshma into Karana.
a) Akara Samjnah Puruso hi Visvakaha Bavati :
   • Name – A – अ – Represents Vishwa or Virat
     - Gross Universe including my Body – Mind.

b) Ukara – उ – Teijasa / ‘Hiranyagarbha’ Irhyate :
   • Entire Sukshma Prapancha.

c) Makara – म – Connected to Pragya / Antaryami.
   • Universe in Seed form.
   • 3 Prapanchas include Reflected Consciousness also.
   • Reflected Mind includes Reflected Consciousness also.
   • When we resolve Prapancha, we resolve Reflected Consciousness also.
   • What Remains?
   • “Original Consciousness” remains.

d) Pari Payathe Akhilai :
   • Taught by Vedantic Acharyas.
   • Sureshvaracharya – written one Page Prose description on Samadhi Abhyasa called “Panchikaranam”.
   • Subject matter in this, Samadhi Abhyasa with Omkara.
   • Several verse commentaries (Vartikams) available on this one page work.
• How to resolve A into U, U into M, M into silence?
• When I remain silent, Nama is resolved and Samashti Rupa also is resolved.
• There is only: Mandukya Upanishad

It is not that which is conscious of the internal subjective world, nor that which is conscious of the external world, nor that which is conscious of both, nor that which is a mass of consciousness, nor that which is simple consciousness, nor is it unconsciousness. It is unseen by any sense-organ, beyond empirical dealings, incomprehensible by the mind, uninferable, unthinkable, indescribable, essentially by the Self alone, negation of all phenomena, the peaceful, the auspicious and the nondual. This is what is considered as the Fourth (Turiya). This is the Atman and this is to be realised. [Mantra 7]

• Nama Rupa Vilakshanam, Vachya Vakya Vilakshanam, Turiya Chaitanyam alone remains.

e) Samadhi Purvam Bavet:
• 3 pairs are there before Samadhi.
• During Samadhi, they are swallowed into Turiyam.
• See nothing...
• After Brahma Arpanam.... all is Svaha... in stomach.
• Duality resolved, eater, Turiyam alone is there.
• Samadhi Abhyasa is like a Big Bhojana Prakriya.
• Before wake of Knowledge 3 pairs were there.
• In the wake of Knowledge, 3 pairs are not there, hence Prapancha Upasamam, World is not there, therefore Advaitam, Aham Asmi.
• Vaitatya and Advaita Prakaranam of Mandukya in this verse 49.
Verse 50:

What is the methodology of Samadhi Abhyasa?

- Chant Om and sound dies down.

a) Dheergam Pranavam Uchharya:

- May Omkara chant be long, gradually dying down.
- ‘A’ resolving into ‘U’ and ‘U’ into ‘M’.

When the Self expresses through the individual, it expresses in three states as:

- Viṣva — Waker

When the Self expresses through the total, it expresses in three states as:

- He — Virāt
- He — Hiranyagarbha
- He — Īśvara

Revision:

Samadhi Abhyasa:

- Meditator has to resolve entire Universe into his real Nature – Turiyam.
- For this resolution use Omkara Mantra as help.
- Omkara is designed to include entire Nama Rupa Prapancha.
- A – Represents Namas belonging to Sthula Shariram + Prapancha + Reflected Consciousness = Kala.
- U – Represents Nams belonging to Shariram + Sukshma Prapancha + Reflected Consciousness = Nada.
- M – Represents Namas belonging to Shariram + Karana Prapancha + Reflected Consciousness = Bindu.

Guru Stotram:

- Guru represents Bindu, Naada, Kala Ateeta Turiyam.
- OM – represents all Namas at 3 levels.
- Namas – correspond to Rupa Prapancha objects in each layer.
- Namas + Rupas – Packed in one capsule word “Om”.
- Chant Dheerga Svara Uchharna Omkara (not short) in Meditation.
- Allowed only for Meditation.
- (As long as breath allows, otherwise Videha Mukti here and now!).
- For Veda Parayanam only short OM’s allowed.
• As sound is fading out, visualise entire Sthula Nama and Prapancha (objects) resolving into Sukshma and Karana.

![Diagram]

- Pravikalpya (Dissolved)
  - A
  - U
  - M
  - Vishvam
  - Teijasam
  - Pragyam

• Cognitively understand ‘AUM’ is dissolved in Turiyam, Avyavaharyam, Sakshi Chaitanyam.
• When Ma-Kara of Om ends there will be silence.
• This silence is not absence of sound, blankness of Mind.
• It is Paramartika Atma silence, different than Vyavaharika silence.
• Without Vedanta, silence will appear as Blankness or Shunyata.
• After Mandukya, Blankness of Mind not Blankness.
• To talk about Blankness there is some principle called Consciousness which is Awareness of Blankness.
• ”Silence Blankness should be understood as Silence Awareness because of which alone, Blankness is known”.
Example:

- Remove all objects from desk - book, phone, specs... what’s left – “Nothing “.
- How do you know there is Nothing?
- Clearly seen by light pervading desk.
- In midnight, no light, can’t talk about blankness of desk.
- Now Prakashaha is pervading.
- There is nothing other than light which illumines nothing.
- Blankness of mind means there is nothing other than Consciousness in the Mind which is called “Silent Awareness”.
- Silence = (Capital S) – Is Silence pervaded by Consciousness.
- In Samadhi Abhyasa, turn attention towards Silence Consciousness.
- Mind is blank when Omkara is completed.
- Mind is silent.
- How is Silence known?
- Because of presence of Awareness.
- We don’t see Awareness?
- Why we can’t see Consciousness.
- Consciousness can’t be seen, objectified because it is I – subject, silence, Consciousness.
• In blankness – I – Turiyam Continues.
• Chant Om, Nama Rupa Prapancha comes again, I Silence, Consciousness continues in which Nama Rupa Prapancha arises and dissolves.

**Kaivalyo Upanishad : Meditate on**

मय्येव सकलं जातं मयि सर्वं प्रतिष्ठितम्।
मयि सर्वं लयं याति तद्भवाद्यमस्मयम्। १९।

In me alone everything is born; in me alone does everything exist and in me alone gets everything dissolved. I am That non-dual Brahman. [Verse 19]

**Waker :**

• Dream World arising in me and resolving into me.
• Dream Noise (Pratibasikam) can’t disturb Wakers silence (Vyavaharikam) in Room.

**Extend : Atma**

• Vyavaharika noise can’t disturb Paramartika silence of Chaitanyam which I am.
• Railway station can’t disturb Shanti of Atma.

**Mandukya Upanishad :**

नातःप्रजा न वहिष्क्रं नोभयतःप्रजा न प्रजानमवनं न प्रजा नाप्रजम्।

It is not that which is conscious of the internal subjective world, nor that which is conscious of the external world, nor that which is conscious of both, nor that which is a mass of consciousness, nor that which is simple consciousness, nor is it unconsciousness. It is unseen by any sense-organ, beyond empirical dealings, incomprehensible by the mind, uninferable, unthinkable, indescribable, essentially by of the Self alone, negation of all phenomena, the peaceful, the auspicious and the nondual. This is what is considered as the Fourth (Turiya). This is the Atman and this is to be realised. [Mantra 7]

• This is a very powerful Sloka.
• Entire Karana Prapancha called Pragya, Antaryami, Ishvara also is swallowed.
• To arrive at Advaitam, Jiva, Jagat, Ishvara is resolved.
d) Pare Chit Ghanam:

- 3 are resolved into Pure Consciousness known as Turiyam.
- Param = Absolute = Avyavaharyam, beyond time and space.

**Very important Law in Vedanta:**

- Resolving pot into clay is understanding, knowing that there is no substance called pot other than clay.
- Intellectual Affair, no need to break pot.

• Seeing this fact in Meditation is called resolving World into Consciousness, Pravilapanam.
• Vedantic Meditation, not thoughtlessness, it is Appropriate thinking.
• I am the only substance, everything else is Nonsubstantial Mithya.
• I am not Vishwa, Teijasa, Pragya.
• I am Sthula, Sukshma, Karana Sharira, Avastha Traya Sakshi, Sat Chit Ananda Rupa, Aham Brahma Asmi.
• Putting an end to expectation of liberation is the last exercise in liberation.

e) Sada Vimukti Vatu:
• I am ever free.
• What is my nature?

- Ever free from 3 Upadhi Sharirams, conditional factors.
- We learn to say this while living in this Body, called Jeevan Mukti.
- We are free from Body even now.

Brahma Sutra :

But that Brahman (is known from the Upanisads), (It) being the object of their fullest import. [I – I – 4]

**Upadhi Muktaha :**
- I don’t have relationship with Body even now. therefore,

**h) Amalaha, Nirmalaha, ever pure, Shuddham :**
- Aparokshanubhuti + Vivekachudamani says:
  I am Jnani do not have Prarabda, I am Turiyam Chaitanyam.
- Dwell on this fact Nididhyasanam not thoughtless state, see meaning of this Sloka.

**What is advantage?**
- My problems diminish like pin pricks.

**Example :**
- Starlight during midday sunlight.
- It overtakes the Mind.

**Verses 42 – 51 :**
- Nididhyasanam – over.
- If a person spends quality time and quantity time, he can realise his freedom.
- For Sravanam and Mananam, not much time required.
- Mind should not dwell on past, future projects.
- Vidvat Sanyasa taken by Yajnavalkya for Nididhyasanam, transformation.
- Otherwise it is Academic information only.
- Jnana Nishta, Sthira Pragya blesses a person.
A seeker who, through the above process, realizes directly the pure nature of the Self becomes supremely contented in that blissful state of the Self. He totally forgets all the experiences of earlier jiva-thood and rises above them. He remains effulgent and lives in the unbroken bliss of the Self. Supremely free, be becomes like a stilled ocean. [Verse 52]

- I am free inspite of family, economic, national problems, situations.
- 100% freedom does not exist at Anatma level.
- Even Sri Rama went to forest taught Yoga Vasishtha.
- I am free has to be meditated for a long time, then transformation happens.

• We can get benefits of study only after Jnana Nishta to transform our life style.
• Study otherwise Academic, book Knowledge.
• We need dwelling on already available Knowledge, not new experience or more Knowledge.

| ये हि संस्पर्शाजा भोगा: | ये हि संस्पर्शाजा भोगा: दुःखयोनय एव ते।  
| आद्यंतवन्तः कौंतेय | आद्यंतवन्तः कौंतेय  
| न तेषु रमते बुधः।।५–२२।। |

**a) Adau Cha Madhye Cha, Tatha, Eva Antaha Bavam Viditva:**

- Bava = Samsara.
- Pravritti is life of Yoga, Kshema, Acquisition, Preservation.
- It leads to anxiety (Bayam), and Shokah (frustration).
- Not happy comfortable life.

- Majority not aware of whirl pool = Viditva.
- Mind preoccupied, helplessness.
b) Adhau, Madhya, Antaha:
   • In the beginning, middle, end – all the time.
   • Consequence of this wisdom is Reduction of Pravritti Marga.

c) Samastham Vidhi Vada Choditam Hitva:
   • Laukika and Veidika Karmas reduced.
   • Reduce extrovertedness and turn inwards.
   • Depend on yourself, less on things and people.

d) Akhila Atmanam Atmanam Bhajet:
   • May you seek, pursue, practice “Nididhyasanam” upon that Paramatma, inner essence, inner essence of all Jiva Rashis, Paramatma, Jnana Nishta Abhyasa.
Verse 56:

Just as when water is poured into the ocean, as milk is poured into milk, as space is merged into space, as air is merged into air to mingle together and become one indistinguishable sameness, so, too, when the seeker contemplates upon this world of plurality as identical in essence with the Self, he comes to realize and live his total oneness with Me, the Self. [Verse 56]

How to dwell on higher Nature of oneself?

a) Atmani Abhedena:
   • As being one with Paramatma.
   • Jeevatma / Paramatma Aikya Bhavena, Nididhyasanam Kurvan.
   • What is result of that?

b) Atmana Maya Nivedena Bavati:
   • Becomes one with me, Paramatma by Aikya Jnanam.
   • Merges into me (Lord Rama).
   • Not physical but intellectual event.
   • Jivatma / Paramatma – already one.
• Freedom from intellectual notion that there is division between Jivatma and Paramatma.
• Habit formed that Paramatma is in Vaikunta has to go.

c) Bheda Bavena Nivritti:
• My Nature, not accomplished in future.
• Moksha = Technical World, replaced by shanti, security, Poornatvam, Jnana Nishta.

4 Examples:

d) Jalam Vari Nidau Yathas Abhedena Bavati:
• Pot full of water immerse under Ocean, pot broken, pot water becomes one with Ocean water.

• Pot milk merges with Milky Ocean.

• Pot space surrounded by Mahakasha total space without movement.

g) Anile Yatha Anilaha:
• Pot Air merges with total Air outside.
• Similarly I merge into Paramatma without any motion of Time / Space during Jivan Mukti and Videha Mukti.
Even if a worldly minded person of reflection were to practice this abheda-bhav [experience of nondifference], he, too, shall experience Me, because the world of plurality is indeed a delusion, which is proved by the words of the Upanishads and by logical thinking. The world is a delusion just as the many moons seen, or as the confusion of direction we may experience in a new place. [Verse 57]

Concludes ‘Nididhyasanam’ in this Verse:

   • This is always in the Mind.

f) Sruti, Yukti Nirakrutatvat:
   • He has negated Satyatva Buddhi, Bavana, in the World.
