Verse 38 – Introduction:

"स किं सकलसंसार-प्राविष्कर्मू आत्मानं वाक्यात् प्रतिपद्यते उत्त न इति ?" इति। अत्र बृहः, कूटस्थायगतिशेषमात्रत्वात् प्रतिपत्ति:। अत आह।

sa kim sakal-samsara-praviviktam atmaman vakyat pratipadyata uta neti, atra bruhah. kustasthavagati-seesa-matravat pratipatter ata aha

[It may be asked :] "Does this enlightened man know from the scriptural sentence the Self as different from the entire world of bondage or not?" To this we reply that he knows that the immutable consciousness alone is what remains. [Introduction – Chapter 4 – Verse 38]

Purva Pakshi : Question

• Through Mahavakyam, student understands Sakshi Chaitanyam.
• At time of claiming, what is status of world.

World

Different from Himself
  Svatma Binnam

Non different from Himself
  Svatma Abinnam Va

• Self here is Sakshi Chaitanyam, Brahman understood from Mahavakyam.
• I am Sakshi Chaianyam who is identified with Brahman.
• Wonderful status I understood.
• With this understanding how one sees the world?
• Svatma Binna or Svatma Abinna?
• World includes Pancha Anatma.
• Possession profession, family, body, mind.
• Aim of Purva Pakshi – To trap Advaitin.

a) Vakyat :
• Through Mahavakya.

b) Saha Pratipadyate :
• Student understands, Atmanam Sakshi Chaitanyam.
• Mumukshu Pratipadyate, understands Atma by Mahavakyam.

c) Sakala Samsara Pravivikta :
• Atma which is different from Samsara.
• Samsara = Dvaita Prapancha, Anatma.
• Pravivikta = different from Dvaita Anatma.

d) Uta Neti Neti :
• Or nondifferent from Dvaita Anatma.
• Is world Binnam or Abinnam from Brahman?
e) Gudha Abhi Sandhihi:

- Asking question which is with hidden motive to trap one.

Example:

- Some don’t purchase items like Tennis bat, lawn mover for their house.
- Borrow from Neighbour.
- Neighbour will say I am going to play tennis, then they will say, give me lawnmower!
- I know I am Atma different from Anatma.
- Advaita Hanihi Dosha.
- Can’t talk of Advaitam because you are seeing yourself different from world.
- World and me, Dvaita Prapti.
- Problem of limitation.

2nd Option:

- World is non-different from me, Mastani Sarva Butani – Gita Chapter 9 – Verse 4, everything in me.

Gita:

यम तत्तमिदं सर्वं
जगादव्यक्तमूर्तिनां।
मत्स्थानि सर्वभूतानि
न चाहं तेषवासिथम्: || ९-४||

मयः तत्तमिदं सर्वं
जगादव्यक्तमूर्तिनां
मत्स्थानि सर्वभूतानि
न चाहं तेषवासिथम्: || ९-४ ||
All this world (universe) is pervaded by Me in My unmanifest form (aspect); all beings exist in Me, but I do not dwell in them. [Chapter 9 – Verse 4]

- Sarva Anatma Praptihi.
- All problems will belong to me.
- I become extra ordinary Samsari.
- Samashti Samsara Dosha comes.
- Bhagawan = Samashti.
- World different or non-different, both answers have problem.
- What is your knowledge?

f) Atra Brumaha:

- I know you want to trap me.

Revision Verse 38 – Introduction:

- Doubt in student based on what is said in Upadesha Sahashri Question.

Teaching:

1st Step:

- I am Atma different from Anatma.

Use Logic:

5 Features of Anatma:
- Drishyatvat, Bautikatvat, Sagunatvat, Savikaratvat, Agama Pahitvat.

5 Features of Atma:
- I – Sakshi Chaitanyam.
- Opposite – Adrishyatvat...

2nd Stage: Mahavakyam
- After employment of Mahavakyam, I know I am Sakshi Chaitanyam, infinite Brahman.
- I am no more Jiva, I am Brahman.
- What is Brahmans relationship with the world?
- Consciousness is different from matter.
- You leave out world without saying anything.
- From the world, you came to consciousness.
- Consciousness is infinite Brahman.
- You are never talking about relationship between world and Brahman.
- After knowing I am Brahman, what is status of the world.
- Am I different from the world or nondifferent from world.
- Is world different from me or non-different from me, who am Brahman.
If world different from me, I am different from world.

Nirvana Shatkam:

Mano Buddhi Ahankara Chitta Ninaham
Nachya Shrotra Jihve Na Cha Ghrana Netre
Nachya Vyoma Bhoomir Na Tejo Na Vayu
Chidananda Rupa Shivoham Shivoham

I am not mind, wisdom, pride, and heart. Neither I am ear and tongue nor I am nose and eyes. Neither I am sky or earth nor I am power or wind. I am the eternal happiness or bliss state, I am Shiva, I am Shiva. ||1||

Brihadaranyaka Upanishad:

apajahruḥ, anyan manyamānāḥ II 26 II
On what do the body and the heart rest? On the Prana. On what does the Prana rest? On the Apana. On what does the Apana rest? On the Vyana. On what does the Vyana rest? On the Udana. On what does the Udana rest? On the Samana. This self is That which has been described as Not this, not this, It is imperceptible, for it is never perceived; undecaying, for It never decays; unattached, for it is never attached; unfettered – It never feels pain, and never suffers injury. These are the eight abodes, the eight instruments of vision, the eight deities and the eight beings. I ask you of that Being who is to be known only from the Upanishads, who definitely projects those beings and withdraws them into Himself, and who is at the same time transcendent. If you cannot clearly tell me of Him, your head shall fall off. Sakalya did not know Him; his head fell off; and robbers snatched away his bones, mistaking them for something else. [III – IX – 26]

1st Option:

• If I clearly separate world and me, I will be finite, limited entity because there is something other than the world.

2nd Option:

• World is non-different from me, Brahman, Advaitam.
• World doesn’t exist separate from me, world is nondifferent.
• Then also problem.
• Limitation problem not there.
• If world is non-different from Brahman, all problems of world will be problem of Brahman.
• Brahman will be contaminated with problems of the world.
a) Kim Sakala Samsara Pravivktam Atmanavam Vakyat Pratipadyata:
- Does one as Brahman know world different from his self or non different from his self.
- Does he know Brahman non different or different from the world?

b) Atra Brumaha:
- In both cases, there will be a problem of limitation, contamination.
- Problem not mentioned in the verse.
- Sureshvaracharya gives the answer, if such a question is asked.

Independent answer of Swamiji:
- As long as we accept that there is a world, there will be Samsara problem.
- Whether there is world taken different from me or non different from me problem will not go away.
- If I see world as different then limitation problem, isolation rejection, loneliness, Psychological expression of limitation problem.
• If nondifferent, contamination problem will be there.
• More I include things in me, worries will increase only.
• Bachelor, married, children, grand children.
• As long as you accept world standing away or together with Brahman, Samsara will never go.

Vedanta:

• **Samsara is acceptance of the existence of the world.**

• After accepting existence of the world, you are discussing whether world should be away or along with me.
• Should I embrace the world or run away from the world.
• Either way, problem is not solved.

• **Fundamental problem:**
  - There is a world.
  - That is ignorance.
  - Acceptance of the world = Ignorance.
  - Wisdom = Converting vision of world as vision of Brahman and understanding that there is no world other than Brahman.

• If there is a world, then Dvaitam, world and Brahman, then you talk about relationship.
• World is alongwith Brahman or away from Brahman.
• In Vision of Jnani, there is no world other than Brahman.

**Gita:**

ब्रह्मार्पणं ब्रह्म हविः
ब्रह्मायो ब्रह्मणा हुतम्।
ब्रह्मैव तेन गन्तव्यं
ब्रह्मकर्मसमाधिना || ४-२४ ||

Brahman is the oblation; Brahman is the clarified butter, and so on, constituting the offerings; by Brahman is the oblation poured into the fire of Brahman; Brahman verily, shall be reached by him who always sees Brahman in all actions. [Chapter 4 – Verse 24]

**Mundak Upanishad:**

ब्रह्मवेदमूढं पुरास्तद् ब्रह्म पश्चाद् ब्रह्म दक्षिणतशोतरेण
अधश्रोभ्वं च प्रस्तुतः ब्रह्मवेदं विश्वमिदं वरिष्ठम् || ११ ||

Brama-vedam-amrtam purastad brahma pascad brahma daksinatas-cottarena
adhav-cordhvam ca prasrtam brahma-vedam visva-midam varistham || 11 ||

Verily, all this is the Immortal Brahman. He is everywhere – above, below, in front, at the back, on the right, on the left. All this world is indeed the Supreme Brahman. [II – II – 11]
The Brāhmaṇa ousts one who knows him as different from the Self. The Kṣatriya ousts one who knows him as different from the Self. The worlds oust one who knows them as different from the Self. The gods oust one who knows them as different from the Self. The beings oust one who knows them as different from the Self. All ousts one who knows it as different from the Self. This Brāhmaṇa, this Kṣatriya, these worlds, these gods, these beings, and this all are the Self. [2 - 4 - 6]

• Other than Atma, nothing is there.

Katho Upanishad :

By mind alone could this (Brahman) be obtained (realised) ; then there is no difference here at all. He, who sees any difference here, goes from death to death. [II – I – 11]
- When I don’t accept Anatma, don’t ask existence with or without Brahman.
- Example: Rabbit has no horn, you ask what is length of horn.
- **All questions about world is wrong, after knowing Brahman alone is there.**
- Knowledge is the negation of the world.
- Brahman is nondual.
- Therefore we don’t accept existence of world other than Brahman.

c) Kutasta Avagathi Seshamatratatvat Sasha:
- After knowledge what remaining.

Is Kutastha Avagathi:
- Changeless consciousness alone remains at end of Aham Brahma Asmi Jnanam, Shanti Mantra.

\[\text{Om purna-madah purna-midam purnat purnam-udacyate,} \\
\text{Purnasya purna-madaya purna-meva-vasisyate} \\
\text{Om Santih! Santih! Santih!}!\]

That is Whole, this is Whole; from the Whole, the Whole becomes manifest. From the Whole, when the Whole is negated, what remains is again the Whole.

d) Kutastha Avagathi Matratvat:
- Changeless consciousness alone remains at end of Aham Brahma Asmi Jnanam, in our understanding.
• Perception of the world continues.
• We are not negating perception of the world, but negating existence of the world enjoying its own existence.

e) Pratipatti Ataha Aha:

Pratipatti:
• Jnanam of Brahman is that it is non dual.

Ataha Aha:
• After knowing rope snake as the rope, person asking relationship between rope and snake, whether it is poisonous or non poisonous.
• What will be your answer?
• Understand carefully there is no question of snake at all.
• Relationship with world should not be asked because Brahman is nondual and there is no world to be related to
• What I misunderstood as snake is now understood as Rope.

</tr>
<tr>

</table>
• This is Pratipatyate – understanding after knowledge.
• Is snake outside, inside, by the side of Rope?

**Mundak Upanishad:**

> ब्रह्मवेदमूर्तं पुरस्ताद् ब्रह्म पश्चाद् ब्रह्म दक्षिणत्वोत्तरेण।
> अथश्रोध्वं च प्रस्वतः ब्रह्मवेद्विश्वमिदं वरिष्टम् ॥ ११ ॥

> ब्राम्ह-वेद-अम्रतं पुरस्त ब्रह्म पश्चाद् ब्रह्म दक्षिण-त्वोत्तरेण।
> अथ श्रोध्वं च प्रस्वतः ब्राम्ह-वेद्विश्वमिदं वरिष्टम् ॥ ११ ॥

Verily, all this is the Immortal Brahman. He is everywhere – above, below, in front, at the back, on the right, on the left. All this world is indeed the Supreme Brahman. [II – II – 11]

• I will not entertain any question regarding snake.
• **Entertaining question is regarding Snake as real, is accepting existence of Snake.**
• **Entertaining question on world is accepting existence of world instead of it as mere as appearance of the world.**
• Existence and appearance of world – 2 crucial worlds.
• Existence of Dream and appearance of Dream.
• Satyam exists – Mithya appears, existence, nonexistence, Mithya discussions to be remembered.
• What was misperceived as Snake is now in my vision, Rope alone.
• World is consciousness, cause alone with name + form.
• In my Vision, there is no Snake, how can I entertain question centred on Snake.
• Whether I am away from it or if it has any properties.
• How can I entertain questions centred on the world and its properties when it has only appearance and no existence.

• I exist as Sakshi Chaitanyam, world appears in me.

• Questions are born out of ignorance, not in the new vision.

• There is only Brahman, no matter at all.
• Misperceived consciousness is matter, rightly perceived matter is consciousness.

• There is no consciousness and matter.

• Remove idea of world and there will be no relationship required, is ultimate answer.

Intermediate Answer:
• Adhishtanam – Mithya relationship is ultimate.
• Relationship requires.

Verse 38:

Just as the snake imagined in a stick ends up in the stick [when the stick is known], even so the world surely ends up in the eternal consciousness [when the Self is known] from the scriptural sentence. [Chapter 4 – Verse 38]

• Instead of Rope Snake here example of stick snake used.
• Danda Sarvapah.
• Enquiry will culminate in acceptance of the stick.
• Understanding of stick in which there was no snake in 3 periods of time.

Don’t say:
• After enquiry snake went away somewhere or I went away from Snake.
• Running away from world.
• It is like Running away from Snake for Moksha.

**More I run, more I confirm my ignorance, more Samsara will continue.**
• Running away perpetuates Samsara.
• Real Moksha is saying there is no real world to runaway, no Videha Mukti exists.

**There is no world at all independent to Brahman, pure Chaitanyam.**
• Therefore, at end I don’t have snake.
• Beginning, during, later, no snake.

a) Trikale Api Sarpaha Nasti Advaita Nishta Syat
b) Danda Jnana Nishta:

*Katho Upanishad:*

```
मनसेवेदायतेः नेह नानास्तिः किंवनत् ।
मृत्योऽस्मृता गच्छति य इह नानाव पश्यति ॥ १९ ॥
```

```
मनसेवायतेः नेह नानास्तिः किंवनत् ।
मृत्योऽस्मृता गच्छति य इह नानाव पश्यति ॥ १९ ॥
```

Manasai-vedam aptavyam, neha nanasti kincana,
Mrtyoh sa mrtyum gacchati, ya iha naneva pasyanti ॥ ११ ॥
By mind alone could this (Brahman) be obtained (realised) ; then there is no difference here at all. He, who sees any difference here, goes from death to death. [II – I – 11]

- This must be internalized.

**Dakshinamurthi Stotram :**

विश्वन्दर्पण हृश्यमान नगरी तुल्यं निजान्तर्गतं पश्यन्त्यात्मस्ति मायया वा हिरियोद्वृत्तं यथानिद्रिया ।
यस्याक्षात्करुः प्रभोधसमये स्वात्मानमेव वादयं तस्मां श्रीगुरुमूर्त्ते नम इति श्री दक्षिणामूर्त्ये ॥ ९ ॥

He who experiences at the time of realization his own immutable Self-in which the Self alone plays as the universe of names and forms, like a city seen in a mirror, due to the maya power as though produced outside, as in a dream, to him, the divine teacher, Sri Daksinamurty, is this prostration. [Verse 1]

- Either world is not there or perceived world has only Dream status.
- **Experienced world has Dream status.**

• Waking or dream does not have status of its own.
c) Nitya Avastha Nishtam Syat:
   • Self enquiry should culminate in eternal consciousness through Mahavakyam.

d) Jagadu Asamshayam:
   • Don’t say eternal consciousness is underneath world.
   • If you say substratum it creates confusion that there is a real world and underneath is consciousness.
   • Above world, below consciousness will end up in Dvaitam.

Example:
   • Like saying underneath snake there is rope.
   • No question of Snake underneath Rope.
   • What you see as Snake is rope.
   • What you see as world is consciousness.

<table>

• Don’t retain snake and insert rope underneath.
• Don’t retain world and insert Brahman underneath.
• Displace snake by rope.
• Brahma Jnanam, not inserting Brahman under the world and fighting the world.
• Brahma Jnanam is not inserting Brahman under the world as substratum.
• Brahma Jnanam is displacing world by knowledge of Brahman.
• Otherwise will fight with the world.
• Will never win the fight with the world.
• How to win the fight?
• Understand that there is no real world to be bought with.
• Will always loose the battle with the world.
• No dream to be fought with.
• No waking to be fought with.

e) Jagatu Avagathi Nishtam Syat:
• World is Brahman don’t say world has Brahman down below.

f) Iti Asmashaya:
• There is no doubt.

Mandukya Upanishad:

There is neither dissolution, nor birth; neither anyone in bondage, nor any aspirant for wisdom; neither can there be anyone who hankers after liberation, nor any liberated as such. This alone is the Supreme Truth. [2 - K - 32]

• Stop fighting and you have won.
Verse 39 – Introduction:

कुत एततः? यस्मात्।

How is this? It is for this reason. [Introduction – Chapter 4 – Verse 39]

a) Kutaha Ye Tatu :

• Why I say there is no word to fight with?
• As long you fight, Samsara will continue.
• Will always have loosing battle with the world.

b) Yasmat :

• Because of the following reason.

Verse 39: Very Important Verse

पश्यन्निति यदाहोत्स्य: प्रत्यक्त्वमू अजमव्ययम्।
अपूर्वानपरानन्तं त्वमा तदुपलक्ष्यते॥ ३९॥

The Self, inward, unborn, and imperishable, which Sruti emphatically speaks about as "seeing", is infinite, without an earlier and without a later. It is this that is implied by the word "thou". [Chapter 4 – Verse 39]

• Essence of all Upanishads in 2 lines.
• Aim of Scripture, never to Teach Dvaitam.

• Sruti Declares:
  o The seer sees nothing.
  o The seeing consciousness remains inextinguishable.

• We think in sleep, there is nothing, but must realise the consciousness is not destroyed but remains intact.

• Seer of the world ego is gone, no projections available.

  Dvaitam means

  ![Diagram showing the relationship between I, World, Observer, and Observed with Battle between Jiva, Jagat, Jiva, Ishvara, and Jiva.]

• We fight with world, offer prayers, fight with God.
**Aim of Vedanta:**
Not to accept word Dvaitam and win.

**Vedanta:**
Introduces Dvaitam through Adhyaropa and Through Apavada eliminates Dvaitam.

- Aim of Vedanta is Advaita Nishta.
- Then Relationship question with world will not arise.
- Don’t have to answer question.
- In verse 38 introduction – question raised – after knowledge what is your relationship with the world.

**Sureshvaracharya Answer:**
- Question is wrong.

**Adhyaropa:**

Verse 40 – Introduction:

[Avidya] is sublated only by the knowledge which arises from sentences such as "That thou art". This being the case, [the following is said]. [Introduction – Chapter 4 – Verse 40]

- This leads to another question.

In Sushupti – We have

Advaita Anubhava

Advaita Nishta

- That itself should give Moksha.
- Why study Naishkarmya Siddhi?

Answer:

In Sushupti – We have

Advaita Anubhava

No Advaita Jnanam

- I don’t have knowledge that I am Advaita Chaitanyam.
• Ahamkara in Jagrat is not my intrinsic nature, it is only Mithya – Vesham.
• Advaita Anubhava is my real nature, this Jnanam is not there.

**Problem:**
• Lack of Advaita Jnanam, not Advaita Anubhava.
• Therefore Advaita Ajnanam was there in Sushupti Anubhava.

2 things in Sushupti

- Advaita Brahman is there
- Ajnanam is there

• Therefore Moksha not attained.

**Moksha:**
• Advaita Jnanat Eva Kaivalyam.
• Advaita Jnanam alone removes Moola Ajnanam.
• Light alone removes Darkness.

**Aim of Vedanta:**
• Advaita Jnana Siddhyartham and Ajnana Nivirthyartham.
• Therefore Mahavakyam and classes are required.
• We have to extract these corollary questions and Answer.
• We are in Advaita Anubhava but without Moksha because Ajnanam is there.
Purva Pakshi:

- How can you see Ajnanam is there?

Quotes:

That it does not see in that state is because, although seeing then, it does not see; for the vision of the witness can never be lost, because it is immortal. But there is not that second thing separate from it which it can see. [4 - 3 - 23]

- Very important verse of Sushupti and Sruti as Pramanam of revealing my real nature in Sushupti.

- There is no second thing other than Brahman.

Purva Pakshi:

- Sushupti is Dvaitam, Brahman and Ajnanam.
What is the Truth on Sushupti

- Ajnanam is not there.
- Against our Anubhava
- Sushupti is not giving us Moksha.

- Ajnanam is there
- Will contradict Brihadaranyaka Upanishad Vakyam.
- Sruti Hanihi Dosha.

• How to resolve.

Revision – Verse 39:

• Nature of Atma is nondual proved by Sushupti Anubhava.
• Dvaita Prapancha and Triputi resolved.
• We remain as Advaita Chaitanyam.

Dakshinamurthi Stotram:

On folding up all the functions of the senses, He who enters into a state of deep-sleep and there becomes existence veiled in maya, like the sun or the moon during eclipse, and who, on waking, remembers to have slept.. To Him, the divine teacher, Sri Dakshinamurthy, is this prostration. [Verse 6]
• Sushupti is state of Advaita Anubhava.

• **Presence of consciousness is established as witness of Sushupti.**

**Brihadaranyaka Upanishad:**

That it does not see in that state is because, although seeing then, it does not see; for the vision of the witness can never be lost, because it is immortal. But there is not that second thing separate from it which it can see. [4 - 3 - 23]

• **Natu Tat Dvitiyam Asti.**

• **Nothing other than consciousness exists.**

• Brihadaranyaka Upanishad quotation creates problem.

• Dvaita Prapancha is negated.

• Pramatru Pramana Prameya Triputi negated.

• Atma alone is there.

• Ignorance also is negated.

• Everything negated other than Atma.
• Natu Tad Athaha Asti
• Nothing else is there in Sushupti.
• Ignorance gets negated.
• In Sushupti one attains Moksha.
• Moksha = Ajnana Nivritti.
• Advaita Svarupa = Moksha.
• Advaita Anubava and Advaita Avastha is there.

Sushupti

- Vikshepa Shakti absent
- No projected universe
- Dvityaya Nivritti
- Vikshepa Prapancha Nasti
- Anyatha Grahanam Abavat Iti eva Nirupyate says Brihadaranyaka Upanishad.

- Agyanam is there
- Avarna Shakti

• Tatu Beejam:
  Agyanam, Moola Avidya in Sushupti is cause of Agraahanam, projection.
• Projection is Absent.
• Cause of projection of Jagrat and Svpna, continues.
• Agyana Rupam Beejam Svpna Bodhayo in Sushupti continues which is called Agrahanam.

**Example :**

• It is like cutting tree and leaving root intact underground.
• Wait for sometime, again tree comes.
• Proof : Agyanam Asti.
• Sureshvaracharya quotes and takes support of Shankara and Gaudapadacharya for his conclusion.
Verse 41 – Introduction:

*aśyārthasya draḍhimna udāharaṇam*

With a view to strengthen this idea, [the following passages are quoted] for illustration. [Introduction – Chapter 4 – Verse 41]

a) Asya Arthasya:
   - For reinforcing.

b) Asya Arthasya:
   - For substantiating this message.
   - Sushuptau Agyanam Asti.
   - Sushupti can’t remove ignorance.
   - Hence Mahavakyam is required to remove Ignorance.
   - To substantiate this.

Purva Pakshi:
   - Sushupti will eliminate Agyanam – ignorance.
   - In Sushupti Agyana Nivritti takes place.

Sureshvaracharya:
   - Mahavakyam is relevant.
   - Agyanam will not go by any other method.
• In Sushupti Agyanam exists.

Brihadaranyaka Upanishada:

| यद्वै तन्न पश्यति पश्यन्वै ।
| तन्न पश्यति, न हि
| द्रष्टुर्द्रष्टेविपरिलोपो विद्यते।विनाशित्वान्।

| न तु तद्विद्वितीयमस्ति

That it does not see in that state is because, although seeing then, it does not see; for the vision of the witness can never be lost, because it is immortal. But there is not that second thing separate from it which it can see. [4 - 3 - 23]

• It says nothing other than Atma is there.
• Sruti Virodha Dosha if ignorance is there.
Either way Purva Pakshi says you are in trouble.
This is aside topic.

### Sureshvaracharyas Answer:

- Agyanam Asti.
- Agyanam will not go by any method including Sushupti.
- Mahavakya Eva Ajnana Nivritti.
- In Sleep ignorance is there.
- High imagination is required in higher texts of Vedanta.

### Mimamsa Rule:

- Extraction should not contradict logic or experience.
- Extraction of Sruti must keep with Yukti and Anubhava.

### If Sruti Says:

- Fire is Cold, then Sruti will be Apramanyam.
- Interpret Correctly: Sruti Conveys Valid message.
Sruti Says: Example

- Heaven eternal.

Interpret:

- Relatively eternal, longer duration than the life on earth.
- Eternal is illogical.
- Anubhava Virodha.
- There is ignorance of everything including Aham Brahma Asmi.
- Which is our Anubhava.
- After waking up, nobody.

Says:

He who knows thus (also attains the aforesaid results). This is the Upanishad. [III – X – 6]

- Ignorance not gone.
- Anubhava proves there is Ajnanam in Sushupti.
- Don’t negate but interpret correctly.

**No 2nd projected thing in Sushupti.**

- In Jagrat and Svapna,
- In Addition to self ignorance there is projected Dvaita Prapancha.
- Anyatha Grahanam = Triputi, Dvaitam, Anatma Prapancha are projections of Agyanam.

**Brihadaranyaka Upanishad:**

- Correct interpretation!
- There is no second projected universe in Sushupti.
- Anyatha Grahanam Nasti.
- Agrahanam Asti.
a) Asmatu Yatu Aparam Rupam Nasti :
   • Projected universe, Anatma Prapancha is not there.
   • Asmatu : Other than the Atma, Nasti, nothing is there.

b) Brihadaranyaka Upanishad : Chapter 4 – 3 - 23

\[

That it does not see in that state is because, although seeing then, it does not see; for the vision of the witness can never be lost, because it is immortal. But there is not that second thing separate from it which it can see. [4 - 3 - 23]

• **It eva Nirupyate :**
  
  No projected universe other than Atma.

• That Alone is the message.

c) Anyatha Grahana Abava :

• Our experience is that there is no projected universe.

• **Projected universe caused by Vikshepa Shakti of ignorance projects universe in Jagrat and Svapna.**
• Vikshepa Shakti of Agyanam quietens down in Sushupti.
• Agyana and Avarna Continues in Sushupti.
• Therefore I don’t know Aham Brahma Asmi, Vilakshana Turiyam Asmi.

d) Dridhimne :
• Substantiation.
• Dridha – Firm.
• Dridhmne – Firmness, Saptami – for, w.r.t. cause.

e) Udaharanam :
• Following 3 quotations given by me.
• 2 – Mandukya Upanishad - Karika
• 1 – Upadesa Sahashri.

Verse 41 :

"कार्यकारणबद्धो तै इष्येते विश्वतऽजसोऽः।
प्राजः कारणबद्धस्तु द्वै तौ तुर्येन न सिध्यत्:" ॥ ४१ ॥

“कार्य-कारण-बद्धां तां इष्यते विश्व-तार्जसानु प्राज्ञाः कारण-बद्धाः तु द्वै तौ तुर्ये न सिद्धाः”

"These two, viz. Visva and Taijasa, are said to be bound by cause and effect. But Prajna is bound by cause alone. These two {i.e. cause and effect} do not exist in Turiya. [Chapter 4 – Verse 41]

• Mandukya Karika – Chapter 1 – Verse 11.
Viśva and Taijasa are conditioned by cause and effect. But Prājña is conditioned by cause alone. These two (cause and effect) do not exist in Turīya. [I – K – 11]

- 4 points given.
- 4 Padas compared and contrasted.

a) Vishwa – Waker – In Jagrat.
   - Teijasa – Dreamer – in Svapna.
   - Baddau – Associated with 2 factors.

**Very important Portion:**

Waker and dreamer associated with 2 factors

• Atma Agyanam and Dvaita Prapancha associated with Vishwa and Teijasa, Prathama and Dvitiya Pada.
• Both not Relevant.
• 3rd quarter of sloka relevant.

b) Pragyaha Karana Baddaha :
• Pragya – Sleeper – Sushupti Avasti relevant for Vedanta.
• Baddaha = Associated with , Sambandaha.
• Associated with Karanam = Atma Ajnanam is there for Pragyaha.
• One factor is absent in Sushupti, which is Karyam, Prapancha, Atma Ajnanam is present.

c) Turiyam Tan Na Siddataha :
• For all practical purposes translate as Jnani.
• Why Turiyam is Jnani?
• Because Jnani claims I am Turiyam.
• Jnani is not associated with Karana (Agyana) and Karya Dvaita Prapancha also.
• Why do you say Jnani does not have Dvaita Prapancha?
• Jnani teaching disciples.
• In Jnani's vision, Dvaita Prapancha is not there – Atma Ajnanam also is not there.
**Gita:**

Brahman is the oblation; Brahman is the clarified butter, and so on, constituting the offerings; by Brahman is the oblation poured into the fire of Brahman; Brahman verily, shall be reached by him who always sees Brahman in all actions. [Chapter 4 – Verse 24]

**Mundak Upanishad:**

Verily, all this is the Immortal Brahman. He is everywhere – above, below, in front, at the back, on the right, on the left. All this world is indeed the Supreme Brahman. [II – II – 11]

- For Jnani, real Dvaita Prapancha is not there.
- Is unreal Dvaita Prapancha there?
- Don’t be against Mithya Dvaita Prapancha.

- **Jnani and Bhagavan have Mithya Dvaita Prapancha.**
• Bhagawan can enjoy Bhagawan status, only because of Mithya Dvaita Prapancha.
• 3rd quarter of verse alone relevant for us.
• Pragnyaha Karana Baddaha.

**In Sushupti, for Pragya, Agyanam is there.**

• That Agyanam will go away through Mahavakya Sravanam in Jagrat.

• In Samadhi also, Triputi is absent. Pramatru Pramana Prameya Triputi is resolved.

• “Shastra Pramanam” is not there in Samadhi, therefore, Jnanam can’t take place in Samadhi.

• Jnanam only in Jagrat.
• Jnanam requires Triputi.
• Here Sushuptau Agyanam Asti is the main point relevant for us.

- Mandukya Karika – chapter 1 – Verse 15 Same idea in Verse 42

Svapna or dream is the wrong cognition of Reality. Nidrā or sleep is the state in which one does not know what Reality is. When the erroneous knowledge in these two disappears, Turiya is realized. [I – K – 15]

   - When both dismissed, what will be left behind?
• Jnani not as Vishwa, Teijasa, Prajya status but:

**Mandukya Upanishad:**

It is not that which is conscious of the internal subjective world, nor that which is conscious of the external world, nor that which is conscious of both, nor that which is a mass of consciousness, nor that which is simple consciousness, nor is it unconsciousness. It is unseen by any sense-organ, beyond empirical dealings, incomprehensible by the mind, uninferable, unthinkable, indescribable, essentially by of the Self alone, negation of all phenomena, the peaceful, the auspicious and the nondual. This is what is considered as the Fourth (Turiya). This is the Atman and this is to be realised. [Mantra 7]

- Jnani remains as Turiyam, Na Pragyana Ghanam.
- Don’t say he will realise Samadhi.
- Turiyam not mystic entity but good old student.
- Samsari was, is, ever will be Turiyam.

• While Disclaiming Anatma, not throw Anatma away.
• To claim Atma, I need Anatma.

• Using Anatma, disclaim Anatma, claim Atma.
• Simple procedure of claiming is becoming Turiyam.

d) Turiyam Pada Ashnute:
• Intelligent student attains status of Turiyam.
• Ignorance is there in Sushupti.
Verse 43 – Introduction :

Tatha bhagavat-pādiyam udāharaṇam

The same idea can be illustrated by a text of the revered Teacher. [Introduction – Chapter 4 – Verse 43]

a) Thatha :

- In addition to Gaudapada support, there is Shankara Bhagavat Pada, suffix Bhagawat Pada, used as respect.
- Totaka
  Sureshvara
  Shankara
  Bhagavat Pada

Verse 43 :

"Susuṣṭākhyāṁ tamo 'jñānaṁ bijaṁ svapna-prabodhayoh
ātma-bodha-pradāgdaṁ syād bijaṁ dagdham yathā'bhavam" || ४३ ||

"What is called sleep, or darkness, or ignorance, is the seed of the waking and dream states. When it is completely burnt by [the fire of] Self-knowledge, it is [no more potent], like a burnt seed." [Chapter 4 – Verse 43]

- There is Agyanam in Sushupti.
• Agyanam = Internal darkness, Tamaha, Sushupti.
• Ignorance called Sushupti because it obtains in Sushupti Avastha.

• Because Agyanam is deep sleep, we don’t say Agyanam is in sleep, in Vedanta.
• Go one step forward.
• Agyanam = Spiritual sleep Anaadi, Nayaya Suptaha.

• Ignorance named Suptaha, indicates there is ignorance in Sushupti.
• Ajnanam is in Sushupti and is named Sushupti, both interchangeable.

a) Svapna Prabodhayo :

• Moola Avidya is Beejam, seed, Karanam for Jagrat and Svapna.
• It has a job, function.
• Serves as cause of waking and Svapna.

• Projection of Dvaita Prapancha is waking and Dream and is caused by Ajnanam’s Vikshepa Shakti.

• By going to Sushupti, you can shake off Dvaita Prapancha but you can’t shake off Ajnanam.
Revision – Verse 43:

- Non dual nature of Atma described in Brihadaranyaka Upanishad – 4 – 3 – 23.

That it does not see in that state is because, although seeing then, it does not see; for the vision of the witness can never be lost, because it is immortal. But there is not that second thing separate from it which it can see. [4 - 3 - 23]

- Atmas Advaitam status experienced in Sushupti Avastha.
- Upanishad talks of Avidya in Sushupti.

Question:

- Is there 2\textsuperscript{nd} thing in Atma or not?
- No 2\textsuperscript{nd} projected universe in Sushupti but there is Agyanam, projecting power of ignorance exists in passive form.
  - If Agyanam, projecting power is not there, Sushupti will be state of liberation, then Mahavakya Vichara is not required.
  - Go only to sleep to get rid of Agyanam.
• In Sushupti no 2\textsuperscript{nd} projected universe but Ajnana Shakti is there.
• In order to support this, Sureshvaracharya quoted Gauda Pada Karika and Upadesa Sahashri.

- Avarna

- Vikshepa

  - Becomes active in Jagrat and Svapna.
  - Projects Dvaita Jagrat and Svapna Prapancha.

• Both Jagrat and Svapna Prapancha projected by Avidya, Ajnanam.
• Upadesa Sahashri – calls Sushupti as Tamaha, internal spiritual darkness.
Sushupti is name of ignorance itself.
Ajnanam named Sushupti or Tamaha.
This alone is beejam, raw material for Svapna and Jagrat, Svapna Dvaitam and Jagrat Dvaitam.

a) Atma Bodha Pradagtam:

II) Falsifies both Moola Avidya and its Vikshepa Shakti, makes it Mithya, Maya.
   - Mithyatva Darshanam.
III) Falsification of Dvaita Prapancha projected by Moola Avidya, Maya does not destroy, Jnani continues to experience.

c) Dravidaha = Shankara

- Upadesa Sahasri Chapter 17 – Verse 26 quoted in verse 43.
- Important Pramanam for Moola Avidya.

d) Pujiyaii – Adorable

- Moola Avidya in Sushupti is endowed with 2 fold Shakti.

```
Moola Avidya - Maya
   `-- 2 Shakti
         `-- Avarna Shakti
             `-- In Sleep
         `-- Vikshepa Shakti
             `-- Jagrat, Svapna

e) Karana – Karye Baddaii :

- Atma in Sushupti is drk.
- Ishvara is Atma here.
• In Sushupti – Ishvara – Atma is Drk in form of pure Sakshi in Sushupti Avastha.

f) Agyana Matra Upadhi:

• Atma associated with Moola Avidya Upadhi Medium in Sushupti, Atma is Sakshi, witness.
• Same Atma becomes witness in Jagrat and Svapna.

g) Aham Adhi Drk:

• In Jagrat and Svapna Avastha same Atma is witness because of Moola Avidya, Upadhi Medium alone.
• Atma become Sakshi of Triputi.
• Pramata (Aham), Pramanam, Prameyam.
• Drk = Sakshi.

- Sakshi is eternal.
- Avidya Upadha, Maya Upadhi has Bava and Abava Status.
- To enjoy Sakshi status of Triputi bava – Abava, Moola Avidya medium is required.
- Moola Avidya is required for Atma to enjoy Sakshi status.
- In Absence of Moola Vidya, it can’t be called Sakshi.
- **With Moola Avidya Upadhi I become Sakshi of Avasta Trayam.**
• Become bava – Abava Sakshi.
• Profound, terse, obtruse verse, difficult to extract meaning.
• Both Naishkarmya Siddhi and Upadesa Sahashri require Commentary to interpret.

- All 3 talk of Maya Shakti what is the difference?
Shiva, Vishnu and Maya Satyam, have same order of reality.

In Advaitam alone, Shiva – Vishnu – Paramatma – higher order, creation, Maya is of lower order.

Paramatma Maya belongs to Paramatma and located in Paramatma, power, Shakti of Paramatma.

But Maya, Moola Avidya, is Vyavaharika Satyam, Paramatma is Paramartika Satyam.

Have 2 orders of reality.

Sureshvaracharya wants to show difference in orders of reality.

Now, we are going to claim as follows as the final teaching.

Verse 43 : (Talk 237)

Final Teaching of Naishkarmya Siddhi:

- I am Paramatma, I have Moola Avidya, Maya Shakti.

Maya, Moola Avidya – has 3 states

Active
  - Jagrat

Semi Active
  - Svapna

Passive
  - Sushupti
  - Pralayam
- During Srishti in Jagrat and Svapna I alone bless Maya Shakti to project Dvaita Prapancha.
- During Sushupti and Pralayam I alone bless Maya Shakti to withdraw Dvaita Prapancha.
- Having projected, interactions happen.
  
  2 projections of Maya, Moola Avidya

  Mind

  World

- Maya is Mithya, only Vyavaharikam.
- Both mind and world are Vyavaharikam, false projections of me as Paramatma.
- Interactions between mind and world gives rise to Sukham, and Dukham.
- Interactions happen in Maya Karyam.

 Vyavaharikam

- I continue to be with Moola Avidya Medium.
• Because of Moola Avidya Medium I enjoy status called Sakshi.
• Mind and world interact in Jagrat.
• Mind and world dissolve in Sushupti.
• Mind and world are product of Moola Avidya, lower order of reality.
• Moola Avidya and its projections – mind and world, interactions are Lower order.
• Sukha, Dukha is lower order.
• I, Paramatma alone am of higher order, Sakshi.
I as Paramatma exist in 3 periods of time.

Mind, Body, world are appearances in me, they arrive and depart – Agama, Pahi, Anatma.

My Shakti makes them appear and disappear.

What appears is Anatma Pancha Butas in gross and subtle forms.

Witness consciousness is nondual, Atma, no arrival or departure, eternally exists.

Mahavakya – This is realisation from Aham Satyam, Jagan Mithya, Jeevo Braheiva Na Paraha.
• Superb ending!
• I have Shakti to do all these things as Paramatma.

**Shakti is of lower order of reality.**

• Whatever happens because of Sakshi is not going to affect one Satya Atma.
• This is message Sureshvaracharya wants to give through all these verses in Chapter 4 – “Paramarthika – Vyavaharika Chapter”.
• Lord Krishna has given this message in Gita.

Verse 45 – Introduction:

a) Anyatha Grahanavatu:
   - Like Dvaita Prapancha.

b) Agrahanam:
   - Ignorance, Moola Avidya, Maya, Prakrti, Tamas, Pradhanam, Anatma.

c) Anatma Dharmaha Eva:
   - Maya Shakti is not intrinsic property of me.
     - Anatma Dharmaha = Na Atma Dharmaha.
     - Maya – Not intrinsic nature of me Atma who is Paramatma.
     - It is only Mithya superimposition.
     - It is only Vyavaharika Satyam.
     - It is not my intrinsic part.
     - It is not Paramartika Satyam.
     - Anatma Dharma, not intrinsic property, not Paramartika Satyam, it is Vyavaharika Satyam, it is Mithya.
     - Anatma Dharma Eva = Mithya Eva.
     - Maya alone is Mithya.
     - This makes Advaitin different from both Vaishnavisim and Shaivism.
• Vaishnavism and Shaivism talk of Maya Shakti of Vishnu, Shiva.
• We Advaitin are neither Vaishnavas or Shivas.
• We are Smarthas, will go to all temples.
• They say Vaishnava Maya or Shiva Maya is Satyam.
• Shapta Group – Srividya Upasana Group.
• Maya = Shakti of Devi = Satyam.
• Jagat = Satyam.
• Bhaskaraya – wrote commentary on Lalitha Sahasranamam.
• It is Srividya grantha.
• Lalita Trishati, Soundarya Lahari, Mahamymam, Shapta group.

Lalitha Sahasranamam:

मिथ्या-जगद्धिष्ठाना मुक्तिदा मुक्तिरूपिणी ।
लास्यप्रिया लयकरी लजा रम्भादिविन्दिता ॥ १४२ ॥

mithhyaa jaga-dadhi-sh̄thaanaa mukthidaa mukthi ruupi̍nee |
laasya priyaa layakaree lajja rambhaadi vandithaa || 142 ||

You who are established in the illusory world, You are the giver of liberation, You are of the form mukthi, the state of liberation. You love dance, You are the cause of laya, musical melody or dissolution of the world, You are shyness, You are worshipped by Rambha and other celestial dancers. [Verse 142]

• Lalita = Param Brahma Rupa. She is Adhishtana of Mithya Jagat.
• Commentary's refutes Mithya of Shankara.
• Says, Mithya here not lower order of reality as Shankara talks about.

**Mithya means dependent on Lalita, Devi not lower order.**

• Talk about reality of Maya Shakti.
• Srividya Upasana not real Advaitin, believe in Jagat Satyatvam.
• Shankara – Jagat not Satyam – Shapta Maya, Shaiva Maya, Vaishnava Maya, all accept Bhagawan with creative power.
• Islam, Christianity, accept Bhagavans power.
• This power of Bhagawan is Satyam or Mithya.
• All Say real, Satyam except Advaitin, minority.
• Shaiva Maya, real, Vaishva Maya real.

**Sureshvaracharya :**

• Maya is Mithya, unreal.

**Verse 45 :**

| इदं ज्ञानमहं ज्ञाता ह्ययमेतदिति ग्रह्यम्। | योऽविकारो विज्ञानति परागेवास्य तत्तमः। ॥ ४५ ॥ |
| idam jñānam aham jñātā jñeyam etad iti trayam yo ’vikāro vijānāti parāg evāsya tat tamaḥ. |

The darkness (i.e. ignorance) is but external to the immutable Self which reveals the three factors, viz. "This is cognition," "I am the cognizer," and "This is the cognized."

[Chapter 4 – Verse 45]
a) Tatwa Tamaha:
- This Tamas, Moola Avidya, Agyanam, Maya, Prakrti, Sushupti.

b) Asya Parag Eva:
- Is outside Parag Asya.
- Outside Chaitanyasya, Paramatma, not literally.
- Lord is all pervading.
- **Outside means not intrinsic.**
  - Avidya, Maya is Mithya, unreal like Mirage water is outside sand, unreal.
  - Paramatma is untouchable by Maya. Therefore Vedanta called Asparsha Yoga.
  - May you become untouchable.
- **Moksha means not being touched by all Vyavahara projected by Moola Avidya.**

**Gita:**

• Aham Neiva Karoti.

• Moment I identify with mind which is projection of Moola Avidya, I become Vimudaha.

• Moola Avidya is Parag eva, outside, not intrinsic Dharma of Atma I, Paramatma.

• In Moola Avidya medium of Jagrat, Svapna, Sushupti, I get status of Sakshi.

• As Sakshi what do I witness?

c) Yaha Vajanati :

• I witness Jnanata, Jnanam, Jneyam knower, knowledge, known.

Kaivalya Upanishad :

All that constitutes the enjoyable, the enjoyer and the enjoyment in the three realms. Different from them all am I, the Witness, the Ever-auspicious, Pure Consciousness. [Verse 18]

• Trishu Dama – 3 Avastas.

In me alone everything is born; in me alone does everything exist and in me alone gets everything dissolved. I am That non-dual Brahman. [Verse 19]
Revision – Verse 45:

- Summarising teaching in Chapter 4.

- **Moksha requires Internalisation of 2 facts:**
  
  - I am Satyam, Jagat Adhishtanam Brahma.
  - Entire Jagat is my own Mithya projection.
  
- I am Jagat Adhishtanam, Satyam Brahma.
- Entire world is my own projection.
- I should wake up to my waker status to see Mithyatvam of Svapna.

- **I have to wake up to my super waker status to see Mithyatvam of Jagat.**
- **Waking upto super status is possible only when I see universe as my own projection.**

- Waking upto super status happens by shifting my perspective.
- In waking up from dream, it is an event when dream world disappears and I become waker.
- Happens in a dramatic way where dream world disappears.
- Waking to super waker status does not happen in similar Dramatic way.
- Waking world does not disappear, not mystic event.
- It is simple shift in mind set.

- **Shift in mind set should happen in Jagrat Avasta.**

- After shift in mind set, world will continue to appear the same.
Awakening process is shifting mindset from waker to super waker status.

- Body, mind, family, experiences continue to be same.
- Change is shift in mindset based on Mahavakya Absorbtion.
- What shift do we accomplish?
- In Mahavakya, Jivatma and Paramatma are equated.

Shift in mind set means I should learn to think as Paramatma instead of continuing to think as Jiva and looking for merger during Videha Mukti.

Wrong thinking:

- I have to exhaust Prarabda and at time of Videha Mukti merge into Paramatma.
- Instead of thinking of future possibility of super merger into some Paramatma, should start thinking as Paramatma while living.

Learn to change mind set and think as Paramatma is called Awakening.

- Switch over of mind set.
- Instead of thinking as Jivatma, learn to think as Paramatma.

This is awakening from waker to super waker, Sakshi status.

- I, Paramatma have Moola Avidya, Maya defined in verse 43 – quoting Upadesa Sahashri – Chapter 17 – Verse 26.
What is called deep sleep. Darkness or ignorance is the seed of the waking and dream states. It gets perfectly burnt by the fire of self-knowledge, and it no more produces effects, like a burnt seed that does not germinate. [Chapter 17 - Verse 26]

- Moola Avidya is my Shakti.
- I am super waker Paramatma.
- With my Moola Avidya power, I create Jagrat Triputi and thereafter come to Jagrat Avastha.
- I descend down from super waker, Sakshi status to waker status.
- Take Avataram by Projecting Jagrat with Moola Avidya, Maya, Maha Nidra.
- Waking is Maha Nidra.
- Not Satisfied with Jagrat, with another power called Nidra, I create another Triputi called Svapna Triputi.

• After projecting, I don’t remain aloof.
• I enter them as Sakshi.
• Sakshi is Paramatma.

**Assimilating and remembering this super waker Sakshi is Moksha.**

• 2 things to be remembered.
• I am Superwaker, not Vyavaharika or Pratibhasika Mithya.

• **I am Paramartika Satyam, Jagrat and Svapna Sakshi is Mithya.**
• **One who remembers this is free all the time, Nitya Mukta.**

• All 3 projections of Moola Avidya.
• Jnanata = Chidabasa Sahita Mind.
• Thought = Jnanam.
• Object = Jneyam.
• Moola Avidya Projection.

**Gita:**

- **Jnanata, Jnanam, Jneyam is Moola Avidya Projection.**
  - I can call it as my projection because Maya Shakti belongs to me, Pradhana, Prakrti, MahaNidra belongs to me.

**Verse 45 :**

a) **Tatu Tamaha :**
  - Moola Avidya has subdivided into Triputi.

b) **Parag Eva Asya Tamaha :**
  - Moola Avidya outside superwaker is of lesser order of reality.

- Where is superwaker available?
  - Available in Jagrat.

c) **Tad Srishtva Tad Eva Anupravashitu**
d) Avikari Vijnanati:

- I Superwaker enter waker Jnanata but remain as changeless witness.
- I lend Chidabhasa to mind for the mind to become Chidabasa, Sahita Pramata.
- I – Sakshi, project mind with the help of Moola Avidya then I bless the mind by lending Chidabasa.

**Question:**

- If Mind is Moola Avidya projection, pot is also Moola Avidya projection, how in one it becomes Jnanata and pot becomes Jneyam.
- Why not other way around?
- Moola Avidya Parinama Antahkaranam.
- Moolavidya Parinama Ghataha.
- Why not reverse?

**Answer:**

- That is super wakers design, can’t question.
Question:
• Why can’t Moola Avidya do the job of giving Chidabasa to mind?

Answer:
• Moola Avidya has all power to do everything.
• Moola Avidya does not have Sat Chit Ananda of its own.
• If it has, it well not require super waker and there will be Sakshi and Moola Avidya, Dvaitam.
• Entire teaching will be redundant.
• I am nonparticipant of Triputi, I am superwaker enjoyer.

- Moment I descend from I – Sakshi super waker and become one of the members of Triputi, I am called Pramata, I have entered Δ format.
- Be Sakshi super waker, then you are in binary format.
- Even if you want to enter Pramata deliberately to enjoy emotions, Ananda always, is no good, good to have some emotions.

Example:
• Payasam + Papadam! (Chinmayas Dish!)

Instead of being Sakshi super waker, I start identifying with Jnanata – Pramata, become one of Triputi, I descend down.
Enjoy being Jnanata, do it with awareness of superwaker.
Enter and exit at will.
This is Nididhyasanam.

**Learn to think as Sakshi rather than as Pramata.**

- Sakshi – Super waker with Moola Avidhya with Maha Nidra Shakti and Nidra Shakti.

```
Sakshi / Superwaker / 
Pure Awareness

Moola Avidya

Maha Nidra Shakti  Normal Nidra Shakti

Project Jagrat Triputi  Project Svapna Triputi
```

- I am Nitya Mukta, Tamaha Parag Eva, Lower order of reality with Moola Avidya.
- Repetitions are my glories, I can enjoy.
- Who is tired of looking at Mirror? Looking at yourself, Chaitanya Svarupam.
- I am super waker.
This being the case, it is only ignorance, qualified by the attributes of the mind that is related to duality, which is its projection, but not the immutable Self. And this idea is conveyed through an example. [Introduction – Chapter 4 – Verse 46]

- Remember 4 factors in Jagrat.

In the sphere of Jagrat Avastha – 3 factors are Tamas Karyam
• Sureshvaracharya uses Tamaha here for Moolavidya.

Gita:

That, which is night to all beings, in that the self-controlled man keeps awake; where all beings are awake, that is the night for the Sage (Muni) who sees. [Chapter 2 – Verse 69]

• Nisha = Moola Avidya Karyam, Mahanidra Tamaha, projection.
• I – Sakshi alone lend “Sat – chit” to Jnanata – mind, Jnanam – thought, (with Vritti Vyapti and Phala Vyapti).
• For Jneyam I lend Sat.
• I lender of Sat Chit for Pramata and Jnanam and lender of Sat to Jneyam am Sakshi, who am super waker.
• May you note this.

a) Yataha Etad Evam :
• Because of all seen factors until now.
b) Tasya Eva Tamaha:

- Same Tamaha called Moola Avidya – remember verse 43 – Chapter 13 – 26, where Moolavidya is introduced as Tamas by quoting Upadesa Sahashri.

> "सुषुप्ताक्ष्याम् तमोऽज्ञानं बीजंस्वप्नप्रज्ञोधयोः।
> आत्माभिधात्रम् स्याद-बीजं दृढं यथा भवम्।" || ४३ ||

> “सुषुप्ताक्ष्याम् तमोऽज्ञानं बीजं स्वप्न-प्रवधयोहः।
> आत्मा-बोध-प्रदागधाम् स्याद बीजं दाग्धं यथाभवम्।” || ४३ ||

“What is called sleep, or darkness, or ignorance, is the seed of the waking and dream states. When it is completely burnt by [the fire of] Self-knowledge, it is [no more potent], like a burnt seed.” [Chapter 4 – Verse 43]

**Upadesa Sahashri:**

> कृतकृत्य चिदभूमि योगी ब्राह्मण एव च।
> य एवं वेद तस्वार्थामन्यथा आत्मह भवेत्। || २६ ||

He who thus know the reality of the self becomes successful in attaining the goal of his life and becomes perfect. He becomes a knower of Brahman and one with it. One Knowing the self otherwise may be said to commit suicide. [Chapter 13 – Verse 26]

- This is very important for Moola Avidya Siddhi.
- In Jagrat what it does?

c) Chitta Dharma Visishtasya:

- Moola Avidya in Jagrat has modified in the form of Chitta – Jnanata – mind.
d) Chitta Dharma Visishta:
   • Moola Avidya modifying in the form of mind.
   • Moola Avidya Parinama Manaha.
   • What is 2\textsuperscript{nd} modification of Moolavidya?

e) Svakarya Dvitiya Vastu:
   • It is another product, Vishaya Roopa Moola Avidya.
     
     \begin{itemize}
     \item Moola Avidya
     \item 2 modifications
     \item - Mind
     \item - Manaha Rupa
     \item - Vishaya Rupa
     \end{itemize}

Example:

\begin{itemize}
\item Gold – 2 modifications
\item - Bangle
\item - Chain
\end{itemize}
• Thereafter what Moola Avidya does?
• Starts connecting, interacting, what is connecting link?
• Vritti Rupa Moola Avidya
• Jnana Rupa Moola Avidya.

• Mind comes in contact with object outside only through thought.

Example:
• Even in India, bad news or good news, Jneyam is there.
• Mind here, Jnanata here.
• We don’t react positively or negatively until news comes.
• News job is to create a thought in the mind.

![Thought connects](#)  
Mind in Singapore  
Event in India

• Happy, unhappy interactions are also within Moola Avidya, Maya.

• You superwaker is not a participant in the interaction, in Jagrat, Svapna, Sushupti.

e) Sva Karya Dvitiya:
• Jnanata mind and Jneya Vastu.
f) Abhisandhaya:

- Connection, all interactions are between:
  - Moola Avidya Rupa
    - Jnanata
    - Through thought Jnanam
    - Jneyam

- Who am I? super waker
- Neither Jneyam or Jnanata.
- I am Sakshi.
- I don’t participate in this interaction.
- Why should I be there?
- Even though I don’t participate, my presence is important.
- By presence, don’t participate, but I bless the interaction.

- **By my mere presence, I give Sat Chit to Jnanata, and Jnanam, and Sat to Jneyam.**
• This is not participation but is presence and blessing.

• **I am present amidst Triputi, I bless Triputi, I don’t participate in Triputi.**

• Sunlight is present in the hall, blesses all, not Participant in transaction.

• Therefore Asangaha.

• Don’t forget Abi Sambandaha.

• Connection only in Moola Avidya.

f) **Na Vikarinaha Sakshinaha :**

• Sambandaha does not belong to Atma, super waker, who is playing role of Sakshi.

• What is the nature of Sakshi?

• Even though it blesses Triputi, blessing is not action.

• Blessing verb does not involve thinking, planning, desiring, doing.

• Bless by mere presence.

Disciple : By whom willed and directed does the mind light upon its objects? Commanded by whom does the main Vital Air (Prana) proceed to function? By whose will do men utter speech? What intelligence directs the eyes and the ears (towards their respective objects)? [I – 1]
I am:

Preceptor: It is the Ear of the Ear, the mind of the Mind, the Tongue of the Tongue (Speech of the Speech) and also the Life of the Life and the Eye of the Eye. Having abandoned the sense of Self of I-ness in these and rising above sense-life, the wise become Immortal. [I – 2]

g) Not Manaha Di Jnanata but blessing Sakshi.

h) Natu Avikaricha Atmanaha:
   - I am super waker.
   - Practice this Nidhidhyasanam.

i) Iti Aha:
   - Clarified by the author through an example as follows.

Verse 46:

Just as color and light come into relation [with the visual sense] which is subject to change, even so pleasure and pain come into relation with the mind alone which is subject to change. [Chapter 4 – Verse 46]
a) Rupam:
   - Object, Vishaya, tree, pot.

b) Prakasha:
   - Light of Surya, Chandra, Vidyut.

   - Eye alone designed to contact form, mind can’t directly contact form.

   **Anvaya Vyatireka logic:**
   - With functioning eye only can have contact with form, colour.
   - Without eyes, light and form have no contact with any other Indriyam.
   - Rupa Prakasha pair has connection only with Chakshur Indriyam.

• I am never miserable.

• Mind is alone miserable with worries.

• Worry belongs to Moola Avidya, Vikara Rupa Jnanata which is one of Triputi, gets connected to Jnanam and Jneyam.

• Every Vishaya gets connected to only one Indiryam is the rule we are observing.

• Indriyas and Vishayas are inert.

c) Rupa Prakasha Yoho :

• For Rupa and Prakasha.
d) Vikriyavataha Chakshur Indriyam Sangatihi Bavati :

- All 3 are Moola Avidya Vikara.
- In the same way Sukham – Dukham Sambandasya, Sukha Dukham belongs to Kshetram only, I am Sakshi Kshetrajnaha.
- All pleasures and pains belong to Savikara Pramata mind only, Jnanata, knower only, Chittasya Eva.
- What type of Chittam?

d) Vikari Moola Avidya Karya Buta Vikaribava Vatu :

- Who am I?
- I am super waker, Ishvara with Mahanidra Shakti.
- I project Jagrat Triputi with Maha Nidra Shakti and Svapna Tripudi with Nidra Shakti.
- From my standpoint, without Maha Nidra or Nidra I am neither Ishvara or Jiva.

\[

- With no Nidra or Maha Nidra I am neither Ishvara or Jiva, I am called Brahman.
- I – Brahman alone put on Vesham of Jiva and Ishvara to have fun!
Revision – Verse 46:

- Moola Avidya, Maya, Triputi.
- Pramata, Pramanam, Prameyam is product, Karyam of Moola Avidya.
- Pramata = Mind + Chidabasa.
- Pramanam = Mano Vritti.
- Prameya = Objects of the world.
- All 3 Savikaram.

**One Characteristic of Moola Avidya Karyam is all its products are inert, Jadam, Changing by Nature and Interconnected.**

- Inert
- Sambanda Vandaha, Inert connected Brahman is available Amidst Triputi in form of changeless perceiver.

• I can’t be frightened of the world.

• If I don’t have Sambanda with the world how come I feel I have Sambanda with the Pancha Anatma.

• I am frightened of world and always expecting Prarabda to hit me!

• I am not at all connected with the Triputi – Jagat as Sakshi, nothing can touch me.

  • Mind, Pramata has connection with the world because of 3 factors as matter, Prakrti principle.
    - Avidya Karyatvat
    - Savikaratvat
    - Sambandatvat

• Connection of world with mind, I have thrown it upon myself – Sakshi.

• Savikara Dukham and Savikara mind have Sambanda.
• What is common?
• All Avidya Karyam, Savikaram, have Sambanda.
• Have same order of reality.
• Where am I?
Verse 47 – Introduction:

With a view to convey the same idea by the reasoning of anvaya-vyatireka the following is said. [Introduction - Chapter 4 – Verse 47]

- I Sakshi have no connection with the world because I am Asangaha, higher order of reality.
- World = Avidya Karyam, lower order of reality.
- I have no connection.
- Mind alone has connection with world.
- Mind is Avidya Karyam, lower order of reality.

Problem :
• I am not alert in Jagrat.
• Why alertness goes?
• Mind comes in between, mind is Samsara Pramata, Avidya Karya Rupa Pramata.
• Avidya = Beejatma.
• In Verse 46 – Introduction, one of the names of Avidya is Beejatma – others are Prakrti, Maya, Avyakta.

This being the case, it is only ignorance, qualified by the attributes of the mind that is related to duality, which is its projection, but not the immutable Self. And this idea is conveyed through an example. [Introduction – Chapter 4 – Verse 46]

- Maya
  - Avidya
    - Moola Avidya Karanam
  - 3 Avasthas
    - Avidya Karyam

• Vyavaharika mind has come.
• Vikshepa Shakti of Moola Avidya produces mind, throws out mind in Jagrat.
• When mind comes, mind gets connected with the world.

• Instead of saying mind is connected to world, I commit a blunder.
• From Paramartika level, Sakshi, I descend down, which is an Avataram.
• Bhagavan Avatara – remembers I am Sakshi, have pure existence, without world.
• We forget we are Sakshi.

• I claim I am Pramata identified with mind, mind has natural Sambanda with Prameyam, Sukha – Dukha Sambanda.
• Instead of saying mind is Dukhi, I say I am Dukhi.
• I want to continue mind and also want freedom from Dukham, want Dukha Nivritti.

• Mind is Pramata, experiencer of the outside world, Avidya Karyam and Savikaram.
• This mind will have Sambanda with Prameyam.
• When there is Sambanda between Pramata and Prameyam, when I read newspaper, tragedy will cause Dukham.

Mind at that time can’t have Priya, Moda, Pramoda, Vrittis.

Mind will have to go through the event.

Jnani has sensitive mind.

Mind will have Sukha Dukha which Jnani will go through.

**If you want Dukha Nivritti, climb to higher level of Sakshi.**

As Sakshi, I am Dukha Rahitaha, Ananda Svarupa.

Mind will have ups and downs, reflected Ananda now and then when situations are ideal.

Mind will never have Pratibimba Ananda all the time.

Design of Vyavaharika world.

Pratibimba Ananda will come and go, nature of Prakrti.

- Even Jnani’s mind will go through pain from external world.

**Contacting world will have different Vrittis.**

- Life is experiencing different Vrittis in the mind by contacting the world of 5 sense objects and wading through because of Prarabda Karmas.
- This is Vyavaharika Vision of Jnani.
- Paramartika vision, I am eternal Atma, untouched by any Vritti or Karma.
- If mind should not contact world, mind should permanently sit in Nirvikalpa Samadhi.

**Prarabda will not allow one to sit permanently in Samadhi.**

- Prarabda Janmantaro Saya Jeeva Svarupdaya.

- In Paramartika, claim Bimba Ananda which is Moksha.

*a) Kutasta Jnana Murti:*

- Murti means Svarupa.
- I am changeless (Kutasta) perceiver (Jnana Murti) Atma even in Jagrat Avasta, but in Jagrat I forget it.
Verse 48:

As in the case of sleep, so also in the states of dream and waking, the Self, though seeing, never sees a second entity because it is immutable. [Chapter 4 – Verse 48]

- As in sleep, Sakshi sees no other, in reality (sees means not connected)
- Truth we see in Sushupti Avastha that I don’t have any Sambanda with Prameyam is true in Jagrat Avastha also.

Pournami Night:
  • Surya Bhagavan reveals earth through the moon.

  • Mind is changing perceiver of the world.
  • Even when I am perceiving the world, I have no Sambanda with the world.
  • Looking at world, say this.

f) Pashyan Api Dvitiyam Neiva Pashyati:
  • I am not seeing the world means I am not connected to the world. Why?
  • I am higher order of reality as changeless perceiver and world is changing.
    • World being Avidya Karyam – Adhyastham, world is Vyavaharika.
    • As changeless perceiver of the world, I am not connected.
    • If I am changing perceiver, I become the mind.
    • Then I am connected with the world – and I have started reacting.
  • When I perceive the world, I have 2 channels.
Divitiyam Neiva Pashyati, Sprishate (in verse 47)

2 Channels

- Changeless
  - Sakhi
  - As changeless perceiver, I, Sakhi am never connected to the world, Ananda Svarupa.

- Changing Mind
  - Pramata
  - Pramata changing perceiver always connected to world.

Am I connected to the world

- As Pramata
  - Helplessly connected
  - Prarabda will affect Pramata.

- As Sakhi
  - Helplessly unconnected.
  - Prarabda can’t touch Sakshi.
I am in a Room

Verse 49:

For one who has the knowledge [of the Self] thus, there is no sense of "I" and "mind", in the same way as there is no darkness in front for one who is carrying a lighted lamp in his hand. [Chapter 4 – Verse 49]

• Whole Moksha is attaining clarity w.r.t. Pramata and Sakshi.
• This message I grasp, mission accomplished.
• This message I miss, mission struggle continues.

a) Evam Jnanatha:
• One who has the knowledge clearly.
• I am the Sakshi not Pramata.
• Pramata is Avidya Karyam.
• Mithya Vesham I, Brahman, put on and off.

• What is Moola Karyam is Mithya.
• Pramata is Mithya, Vesham required for all Vyavahara.

• Silkworm produces silk thread and gets trapped.

- Mayi Arpita = Sakshi Arpita Mano Buddhi.

Revision – Verse 49:

- How Jnani becomes free from Samsara?

Mechanism:

- Any Samsara is caused by Ahamkara and Mamakara.

Cause of Samsara

- Stage in which I belong to someone.
- I am controlled by others.
- Children – Controller
- Parents – Controlled
- Problems created by love, affection.
- Love me to get security, love, support.
- Casualty : Parents loose freedom.
- Ahamkara leads to loss of freedom.

- Stage in which others belong to me, they belong to me.
- I am – Controller
- Others – Controlled
- I control regulate my children, grandchildren.
• Both these states disturb me emotionally.

```

• **Revealed by Arjuna by one expression “Svajanam”.**
• **Sva = Aham – Mama Abhimana**
  
  ↓

  Dvaitam  →  Ignorance  →  Samsara
If Samsara should go;

- Ignorance must go
- Dvaitam must go
- Aham Mama must go
- Controller, controlled situation must go

That is what knows when person becomes Advitiya Kutasta Atma Aham Asmi.

**Verse 48 – 2nd Line:**

- Dvitiyam Neiva Pashyati.
- He does not have 2nd thing, Triputi inform of Pramata, Pramanam Prameyam.
- All 3 are Moola Avidya Karyam.
- Pramata = Mind

- Prameyam = Bahya Prapancha
- Triputi is Moola Avidya Karyam, Mithya, as good as non-existent.
- Dvitiyasya Abava.
Isavasya Upanishad:

He who constantly sees everywhere all existence in the Self and the Self in all beings and forms, thereafter feels no hatred for anything. [Verse 6]

He, the Atman, is all-pervading, bright, bodiless, scatheless, without muscles, pure, unpierced by evils, wise, omniscient, transcendent and self-existing. He alone allotted their respective functions (duties) to the various eternal years (Creators).[Verse 8]

• Advaitam only in Dvaita format.

• **Example**: 
  Person with torchlight or lamp in hand will not have Darkness.

• Jnani – established in Advaita Jnanam will not have Ahamkara, Mamakara Andhakara, Darkness in Jagrat and Svapna.

**Gita : Chapter 12**

He who hates no creature, who is friendly and compassionate to all, who is free from attachment and egoism, balanced in pleasure and pain and forgiving... [Chapter 12 - Verse 13]
Verse 50 – Introduction & Verse 50:

**Introduction:**

Tatra Drśṭāntaḥ:

ā prabodhād yathā ’siddhir1 dvaitād anyasya vastunāḥ bodhā evam asiddhatvam buddhy-ādeḥ pratyagātmanāḥ

Here is an example. [Introduction]

Just as before enlightenment the Self which is different from [the world of] duality is not known, even so after enlightenment of the Self intellect, etc. are not known. [Chapter 4 – Verse 50]

**Introduction:**

Tatra Drśhtantaha:

• With respect to that Advaita Siddhi there is following example.

**Verse 50:**

Teaching:

• After Jnanam Dvaitam can’t exist.

• It does not mean that Jnani doesn’t see the students or the world.

• It means there is no Satya Dvaitam, real Dvaitam, there is experienced Dvaitam which is Mithya, as good as nonexistent.
Sureshvaracharya Says:

a) Yatha Jnanat Purvam Advaitam Nasti, Thatha Jnanat Anantaram Dvaitam Nasti:

Gita: Chapter 2

- There is no Advaitam before Jnanam.
- Only Dvaitam exists.
- Ajnana Kale

- There is no Dvaitam after Jnanam.
- There is only Advaitam.
- Jnana Kale

That, which is night to all beings, in that the self-controlled man keeps awake; where all beings are awake, that is the night for the Sage (Muni) who sees. [Chapter 2 – Verse 69]

- At time of Karma Yoga, Upasana Yoga, when Veda introduces Brahman, it is taken as one of things in creation, one of the entities in Dvaita Prapancha.
That Brahman is Nityam, Nirvikara, Niranjana.
I want to gain – knowledge and join that Brahman.
We think of Brahman as one of the entities in creation.
Once I know Brahman, there is no question of joining Brahman.
Who is to join whom.
There is only one Brahman which is myself.
No Brahman other than me Brahman.

Brihadaranyaka Upanishad:
Because when there is duality, as it were, then one sees something, one smells something, one tastes something, one speaks something, one hears something, one thinks something, one touches something, one knows something. But when to the knower of Brahman everything has become the Self, then what should one see and through what, what should one smell and through what, what should one taste and through what, what should one speak and through what, what should one hear and through what, what should one think and through what, what should one touch and through what, what should one know and through what? Through what should one know that owing to which all this is known? This self is That which has been described as Not this, not this. It is imperceptible, for It is never perceived; undecaying, for It never decays; unattached, for It is never attached; unfettered - it never feels pain, and never suffers injury. Through what, O Maitreyi, should one know the Knower? So you have got the instruction, Maitreyi. This much ideed is (the means of) immortality, my dear. Saying this Yajnavalkya left. [IV – V – 15]

- **Dvaita Kale, Advaitam Nasti**
- **Advaita Kale, Dvaitam Nasti.**

- Until awakening takes place, Dvaitat Asiddinaha Vastu Siddhi.
- There is no Advaitam, it is not established.
- Yatha Asiddihi.
- What type of Advaitam not established?

**b) Dvaitam Anyasya :**

- No Dvaitam other than Advaitam exists for Jnani.
- For Ajnani only Dvaitam in the form of Saguna Jiva, Saguna Jagat or Saguna Ishvara exists.
- Accepts only existence of Pratyaksha Aparoksha Jiva, Paroksha Jagat and some Paroksha Ishvara.
- Other than 3 can’t appreciate Nirguna Advaita Brahman.
- Accommodates Brahman within the world.
- No Advitiyam Brahma, until knowledge arises, person is in Ajnanana Kale.

**Brihadaranyaka Upanishad:**

- Yatra hi Dvaitam iva Bavati… Atra Itara Pashyati
  Atra Itara Srunoti
  Atra Itara Abhivadati
  Yatra Dvaita Iva Bavati
  Yatra Sarva Atma Iva Abut
  Tatra Kena Kam Pashyet... [IV – V – 15]

- This is Drishtantanta.

c) **Darshtanta – Bodhat:**

- In the same way, after knowledge properly arises with revised self conclusion, must revised format change.

**Revised self conclusion:**

- I am not Pramata mind but Sakshi.
Revised format:

- I Sakshi alone am Satyam.
- World is Adhyastham in me because of Maya.

d) Bodha Anantaram Pratyag Atma Bodhat:
- After knowledge of Adhishtana Sakshi,

e) Asiddatvat:
- There is no 2\textsuperscript{nd} thing in the form of Triputi or Dvaitam.

Sad Darshanam:

\end{quote}

All the pairs of opposites such as heat and cold, pain and pleasure, success and failure, and the phenomenon called experience, consisting of the Experiencer, the process of experiencing and the thing experienced, depend for their expression upon some higher factor or principle. When you make a search of That (non-moving substratum) all the dualities and the trinities will disappear. Those who have experienced the Pure Being will have no movement or wavering of the mind. [Verse 11]

- All Dvaita Triputi, Adhi, Pramata, Prameyam, Pramanam, all 3 gone, won’t disappear experientially but loose reality.

Example:
- Straight rod partially dipped in water.
• Partially dipped straight rod appears crooked, bent.
• Principle of physics, under water rod appears as though bent.
• Even after knowledge of straight rod, appearance of crookedness continues.
• Similarly because of Maya medium of Jagrat, Svapna, Sushupti, Jiva, Jagat Ishvara (Crooked) Triputi appears like Vakra Danda.
• In Advaita Adhishtana Jnanam they are resolved.

f) Pratyag Atmana Bodat Asiddatvam:
• Dvaita Prapancha is falsified.
• Mahavakyam only reveals a fact of Adhishtana Advaita Atma Brahman, in which Pramata, Triputi resolves.
  • After Jnanam, Triputi appearance will continue.
  • I know:

Mundak Upanishad:

Verily, all this is the Immortal Brahman. He is everywhere – above, below, in front, at the back, on the right, on the left. All this world is indeed the Supreme Brahman. [II – II – 11]

Gita:

Brahman is the oblation; Brahman is the clarified butter, and so on, constituting the offerings; by Brahman is the oblation poured into the fire of Brahman; Brahman verily, shall be reached by him who always sees Brahman in all actions. [Chapter 4 – Verse 24]

• Sarvam Brahma Maya Jagat Tad Brahma Aham Asmi.
• This Jnanam will be there intellectually, Dvaitam will be falsified.
Verse 51 – Introduction:

This man of enlightenment, seeing within himself the Self, not subject to acceptance or rejection, [conducts himself as follows]. [Introduction – Chapter 4 – Verse 51]

- In this manner.

a) Saha Eshaha Vidwan:
   - This wise man recognizes intellectually Advaita Atma.

b) Atmani:
   - In himself.

c) Atman Pashyet:
   - Recognises his Atma.

Gita:

When the mind, restrained by the practice of Yoga, attains quietitude and seeing the Self by the self, he is satisfied in his own Self; [Chapter 6 – Verse 20]
• Atmani Atmanam Pashyet.
• Being aware of Advaita Atma intellectually.

**Intelligently recognizes Advaita Atma through Mahavakya Jnanam.**

• Experience of Atma not possible because Triputi is not there in Atma.
• Any experience requires Triputi experientially, Advaitam not possible.
• Intellectually, cognizes Advaitam, understands Advaitam principle.

**Dvaita Anubava continues parallelly with Advaita Atma Jnanam.**
• In and thru Advaita Anubava caused by Maya Shakti of Brahman, he remains in Advaitam caused by Mahavakya Jnanam.

```

b) Jnanaya Kritva Jnanamaye :
• In and thru Dvaita experience, caused by Maya, be established in Advaita Jnanam caused by Shastram.
• Don’t talk of Advaita Anubhava.

• **Anubhava = Experience = Duality.**

• Advaita Anubhava = Advaita Aparoksha Jnanam.
• Intellectual, cognitive Jnanam.
• Coming and going is not Advaitam.

• **Inspite of Dvaitam, I am in Advaitam all the time.**

• Pashyan, Srnvan, Jigran, Vidwan understands clearly.

**Gita:**

I do nothing at all, thus would the harmonised knower of Truth think – seeing, hearing, touching, smelling, eating, going, sleeping, breathing... [Chapter 5 – Verse 8]

c) In Advaita Atma, Hana Upadana Shunyam:

• Transcends all transactions.
• All worldly transactions, Hana – Upadanam.
• Hanam = Dropping, giving up
• Upadanam = Taking.
• We use Jnana Indriyas to take Jnanam, Karma Indriyas to dropping actions.
- Take object, drop objects, use Karma Indriyas.
- Trans transactional, supra transactional, “Avyavaharyam” in Mandukya 7th Mantra.

It is not that which is conscious of the internal subjective world, nor that which is conscious of the external world, nor that which is conscious of both, nor that which is a mass of consciousness, nor that which is simple consciousness, nor is it unconsciousness. It is unseen by any sense-organ, beyond empirical dealings, incomprehensible by the mind, uninferable, unthinkable, indescribable, essentially by of the Self alone, negation of all phenomena, the peaceful, the auspicious and the nondual. This is what is considered as the Fourth (Turiya). This is the Atman and this is to be realised. [Mantra 7]

d) Avyavaharyam Atmanam Pashyet :

• How he recognizes?

Says:

• I am free from all transactions even while he is involved in all transactions.
• It is not he is free only in Samadhi or Turiya Avasta, Nirvikalpaka Avasta.
• We are not interested in Turiya Avasta.
• Avyavaharyam is not temporary Advaitam Ananda in Samadhi or sleep.
• It is Another form of Samsara.
• In worldly Vyavahara, Ananda goes.
• We are interested in permanent Advaitam even when all transactions are going on.
Gita:

I do nothing at all, thus would the harmonised knower of Truth think – seeing, hearing, touching, smelling, eating, going, sleeping, breathing... [Chapter 5 – Verse 8]

- Advaitam, not absence of Dvaitam but inspite of Dvaitam.
- Not Nirvikalpaka, Absence of Vikalpa, but inspite of Vikalpa.
- In Trupti, saying no Triputi is Advaitam.
- See Dvaitam and say no to Dvaitam, that is called Jnanam.
- This is said in verse 51.

Verse 51 : Very Important Sloka

This man of enlightenment accepts everything and rejects everything. Acceptance is admission of the world of duality [from the empirical standpoint] and rejection is [its denial] on account of its not being real. [Chapter 4 – Verse 51]
• In the case of Advaita Jnani, Savikalpa Triputi and Nirvikalpa Atma coexists.
• Savikalpa Dvaitam is Mithya, experientially available all the time.
• **Mithya experience available all the time.**
  • Savikalpa Triputi continues but is Mithya, as good as not there.
  • Mirage water experienced, but factually not there.
  • What was, is, will be there always.
  • Example: Straight rod.
  • Even when it appears Vakra Danda, it is Rajju, straight, Danda only.
  • Similarly, when I experience Dvaitam, Dvaitam being Mithya, it is as good as not there.
  • Vikalpas are absent, factually experientially present.
  • Therefore I am Nirvikalpa.
  • Vikalpa = Triputi – Pramata mind
    - Prameyam – World.
    - Pramanam – instruments.
  • Vikalpas are experientially present.
  • Danda straight in the water, outside water.
• **I am Nirvikalpa in 3 states, all the time.**
To become Nirvikalpa, I need only knowledge, I am all the time Nirvikalpa.

To know Nirvikalpa, all the time, I can use only Jagrat Avasta.

In Nirvikalpa Avasta I don’t know I am Nitya Nirvikalpa because knowledge requires Triputi.

Triputi available only in Jagrat.

Using Shastra Pramanam, I should know.

Through Vikalpa, I should know I am Nitya Nirvikalpa.

After knowing that, Jnani makes a Paradoxial statement.

Gita:

Mayā tatamidam sarvam jagadavyaktamūrtinā.
Matsthāni sarvabhūtāni na chaḥ tēśvavasthitāḥ || 9-4 ||
Nor do beings exist (in reality) in Me, behold My divine Yoga supporting all beings, but not dwelling in them, I am My Self, the efficient cause of all beings. [Chapter 9 – Verse 5]

na nirodho na cotpattirna baddho na ca sādhakaḥ |
na mumukṣurna vai mukta ityeṣā paramārthatā ॥ 32 ॥

There is no dissolution, no birth, none in bondage, none aspiring for wisdom, no seeker of liberation and none liberated. This is the absolute truth. [II – K – 32]

From Paramartika Drishti, I have not taught anyone, factual angle.

c) Mattaha Anyaha Agnyaha Nasti:

Negating plurality of Atma.
Atma Bahutva Nisheda.
Other than Advaitam, all others talk of Atma Bahutvam.

I) Sankhya:

Many all pervading eternal Atmas exist.

II) Yoga, Nyaya, Purvamimasa:

Many, eternal all pervading Atmas.
III) Visishta Advaitin:

- Many Jivas, one – Paramatma.
- Paramatma eternal, all pervading.
- Jivas many, eternal, Param Anu Rupam.
- Common = Atma Bahutvam
- Advaitam = Only Teaching – Atma Ekaha Eva.
- Jnani knows this truth.

d) Yasya Brahmavitu Tamaha:

- Greatest Brahma Jnani.
- Other than me, there is no wise or ignorant Jiva, no 2nd Jiva.
- He knows without knowing.
- Jnani knows no duality.

Purva Pakshi:

- Jnani knows – duality.
- Jnani + Jnanam, knowledge.
- Therefore Sureshvaracharya says Jnani knows without Knowing.
- Knowing process is from Vyavaharika Drishti alone, not Paramartika Drishti.
- From Paramartika Drishti, there is no knowing process also.
• Ajnanam Vijnanati.
• **Without awareness, being awareful.**
• Knows without knowing.

e) **Yaha Saha Janati:**
• Whoever knows – Brahma Jnana Eva Bavati.
• Teaching completed, there should be Poornamadaha...
• What is the topic of following portion?
[The opponent asks] "That having known the Self, should he perform deeds [enjoined by scripture] or abstain from them? Or is he free from all restraints?" We reply as follows. [Introduction – Chapter 4 – Verse 54]

- Jnatis Acharaha after Jnanam.
- Verse 54 – 69 (16 Verses) - Life style of Jnani.
- Is life style regulated by, Governed by, controlled by Shastram or not?
- Theoretically, Jnatis lifestyle can’t be governed by Shastram, is natural conclusion.
- This is being established by Vyavaharika Drishti and Paramartika Drishti.

a) Shawrasya Eva Abavat from Paramartika Drishti

Brihadaranyaka Upanishad:
- Na Shasta, Na Shastram, Tata Veda Aveda Bavati.
- From Paramartika lifestyle, Jnatis life style can’t be regulated because Shastra Abava.
- From Vyavaharika Drishti, Jnatis lifestyle can’t be regulated by Shastra.
- Shastram has become irrelevant for Jnani.
What is purpose of Shastram?

- Sukha Prapti
  - Get Joy
- Dukha Nivritti
  - Solve problems

- Both irrelevant for Jnani.
- Jnani does not seek Sukham.
- He has understood I am Sukha Svarupa.
- Understands world can’t give Sukham, it does not have Sukham.
- Since he is already Sukha Svarupa, Sukha Prapti irrelevant.
- Dukha Nivritti Irrelevant.

- Other than Ananda Atma, no 2nd thing.
- 2nd thing is Mithya.
  - Dukham only in the identification with thoughts in the mind, Mithya.
  - Sarva Dukhatvena Nishedatvat.
  - No question of Dukha Nivritti.

Remember Verse 51:
- Sarvam meva Nishedati.
• Dukham negated, not burden for him, all Nama – Rupa.
• Shastra meant for Sukha Prapti or Dukha Nivritti.

Verse 54:

Verse 54:

Since this [knowledge], not being different from what is known, is in conformity with the known reality, [the man of wisdom] does not even glance at the path of action or that of renunciation. [Chapter 4 – Verse 54]

• Charya = Lifestyle
• Jnani Achara = Jnanis lifestyle.

Purva Pakshi:

• Is Jnanis lifestyle regulated or unregulated.

Unregulated:

• Yateshtachara – licentious.
• Tradition rejects licentious lifestyle.
• Licentious lifestyle only for Prakruta Purusha till he becomes Dvija, refined person, till Upanayanam.
• Prakruta Purusha to Samskruta Purusha by Upanayanam.
Example:
• Can’t put washed clothes into dirt again by Yateshtachara.
• Converting Samskruta Purusha to Prakruta Purusha by licentious lifestyle not meaningful.
• Is life of Jnani regulated or unregulated?
• Certainly not unregulated.

<table>

<tr>
<th>Jnani</th>
<th>Ajnani</th>
</tr>

<tbody>
<tr>
<td>Asamsari</td>
<td>Samsari</td>
</tr>
</tbody>
</table>

• Both Jnani and Ajnanis lifestyles regulated.
• Verses 54 – 69 discusses this.

1st:
• Ajnani Samsari – lifestyle is regulated by Shastram.

Ajnani Regulation by Shastra → 2 Hooks

Ichha Dvara Regulation
- Desire
- Kahika, Vachika Manasa Karmas to fulfill

Baya Dvara Regulation
- Fear
- Papa, Jara, Viyoga Bayam
- If you don’t want these Dangers, do Karma.
- Do Sraddham, get Punyam, Svarga.
- If you don’t, Children will have problems, Pitru Shapam.
- Shastra controls 2 hooks of Hindu Veidika Society by giving do’s and donts.
- Jnani can’t be caught by 2 hooks.
- Jnani has no desire or Bayam.
- No Papa Bayam, No Agami, No Naraka, No Travel for him.
- Shastra Vidhi, Nisheda can’t regulate Jnani.

**Shastra Vasana and Jnanam itself is regulator for Jnani.**

<table>
<thead>
<tr>
<th>Badita</th>
<th>Anuvrittihi</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mithya</td>
<td>Vasana</td>
</tr>
</tbody>
</table>

- Vyavaharika Mithya Vasana more than sufficient to regulate Vyavaharika lifestyle.
- Shastra requires 2 hooks which is not in a Jnani.
- Triputi also eliminated.

```
  Triputi
     /    \\    \
    Ajnani Jnani
```
• 2 sets of Triputis.
• How long Triputi will function?
• Until Mahavakya clicks.
• When Mahavakya clicks, 6 Triputis resolved.
• No Pravirti or Nivritti Shastram.
Shastra can’t do anything to Jnani.

Gita:

Brahman is the oblation; Brahman is the clarified butter, and so on, constituting the offerings; by Brahman is the oblation poured into the fire of Brahman; Brahman verily, shall be reached by him who always sees Brahman in all actions. [Chapter 4 – Verse 24]

Brihadaranyaka Upanishad:

- Tatra Veda Aveda Bavati.
- No Vidhi Nisheda.
- Shastra can’t tell Jnani, you wont get Moksha, he is already Mukta.
- Jnani doesn’t travel, no Patala, No Naraka.
- Shastra can’t attract or threaten him.
- Neither carrot or stick will work.

Example:

- Children take freedom.
- Parent don’t give freedom.
• Shastra decently says, I have given freedom, do what you want.
• Shastra not frightened.
• Jnanam makes Jnani responsible person.
• Freedom can be given when person is responsible.
• Shastram confident, Jnanam will make Jnani responsible.
• He will not abuse freedom.

Example:
• Birla gives Cheque book to Gandhi to use.

a) Idam Jnanam:
• This knowledge.

b) Jneya Abinnam:
• Is keeping with object of knowledge.

Atma Bodha:

There are no distinctions such as, ‘knower’, ‘knowledge’ and ‘the object of knowledge’ in the supreme Self. Since it is of the nature of homogenous Consciousness and Bliss, the Self has no such distinctions within Itself. It shines by Itself. [Verse 41]
- In case of Brahma Jnanam, Brahman = Nirvikalpa.
- Brahma Jnanam = Nirvikalpa Jnanam.
- Exactly like knowledge in deep sleep state, we get Jnanam – Sukham Aham Apsvapsam Kinchit Avedishita.
- Brahman is keeping with object of knowledge.
- Ghata Jnanam – Ghata Akara Vritti.
- Pata Jnanam – Pata Akara Vritti.

- **Knowledge and object have similarly.**
  - Brahman = Nirvikalpam, without any division.
  - Akhanda Akara Vritti = Brahman = Divisionless.
  - Jnanam = Divisionless knowledge, as in Sushupti.

- **Knowledge exists in Sushupti.**
  - Therefore, on waking up we say :
    
    I had a light happy sleep.
  - We are recollecting knowledge in sleep, Nirvikalpa Jnanam.

- In Brahma Jnanam, Brahman = Triputi Rahita.
- Jnanam = Akhanda Akaram.

c) **Idam Jnanam Jneya Abinnam :**
   - Is nondistinct from Jneyam Brahman, it is Nirvikalpaka.
d) Jneya Vastu Anusari:

- This Jnanam has to be in keeping with Jneya Padartha Brahman.
- Anusari – in keeping with.
- This is general rule.
- Brahman is Nirvikalpam.
- Which does not allow Triputi.

Keno Upanishad:

- Whoever says, he knows Brahman, does not know Brahman because if you say I know Brahman, Triputi comes, it is no more Brahman Jnanam!

- Brahma Jnanam is unique Jnanam in which there is no Triputi or Vikalpa.

- Therefore it is Nirvikalpa Jnanam.

Reason:

- Jneya Vastu Anusari Bavati.
- Idam Jnanam Jneya Vastu Anusari Jneya Abinnam Bavati.

- This knowledge is Nirvikalpaka Jnanam, Triputi Rahita Jnanam.
- This Jnanam does not allow Triputi.
- Chodaka, Chodaya, Chodana - Instructor, instructed, instruction.
- This Triputi resolves after Brahman Jnanam.
e) Yasmat Evam Ataha :
   • Therefore,

f) Katakshena Api Na Vikshata :
   • This Jnanam does not even slightly permit Pravirti set of instructions belonging to Grihasta Ashrama.

Veda Instructions to Grihasta :
   • Do Sandhya Vandanam, Agni Hotram, Pancha Maha Yagya.
   • Even a wee bit of knowledge does not allow Pravirti instructions which require Triputi – Chodaka, Chodya, Chodana.
   • What about Nivritti instructions?
   • Follow Amanitvam, Ahimsa, Shanti, do Sravanam, Mananam, Nididhyasanam.
   • Nivritti instructions are applicable to Sanyasi.

Na Vikshate :
   • Both type of instructions, Jnanam does not permit, even with the corner of eye.
   • Brahman does not glance at any type of instruction.
   • Jnani is rejected by all instructions.

Kena Vakya Bashyam :
   • Even Ishvara can’t boss over Jnani.
   • Ishvara is boss giving instructions through Veda Purva and Vedanta.
• Ishvara can’t control Jnani by Veda Purva or Veda Anta – do’s and don’t’s.

• Therefore Δ format no more available.
• In Δ format alone Jiva Jagat Ishvara is there and Ishvara can boss over Jiva.
• Jiva Jnani has dropped Jiva Bhava and has attained Brahma Bhava, Δ format not there for him.

• Acharya threatens Ishvara.
• May you be in your place.
• In Jiva, Jagat, Ishvara format Ishvara exists only with Sattva Nama Rupa.
• With Rajas Nama Rupa, Jiva comes to existence.
• With Tamas Nama Rupa, Jagat comes to existence.

Brahman – Sat Chit Ananda

Maya

Sattva

Rajas

Tamas

Ishvara

Jiva

Jagat

• All 3 are existing only because of 3 Nama Rupa.

• All 3 borrow existence from Brahman.
• I am that Brahman, absolute principle.
• If you frighten me, too much, I will withdraw existence from you.
• Sishya talks of glory of Guru.
• My Guru greater than Trimurthi.

Sloka:
• Gunaihi Guna Vasan Ayataha, Gunaihi Guravan Anyataha, Hairir Brahma Haradaya, Gunateeta Maya Smakam, Guru Tamogatham.
I) Gunaihi Guna Vasasam Ayataha:
   • Because of 3 Gunas, respectability has come to

II) Harihi – Shiva – Destroyer
   • Brahma – Creator
   • Vishnu – Maintainer.

III) Harir Brahma Haradayaha:
   • Trimurti have attained glory because of 3 Gunas belonging to Maya.
   • Have got Maya respectability.

IV) My Guru:
   • Gunateeta Maya Smakam because of Gunat eva.
   • Brahma status.

   • My guru has become more respectable compared to Trimurthi.

VI) Gunateeta Maya Smakam – Guruva Gurtam Gatham
   • Jnani has become greater than Shastra and Ishvara, he is Brahman.
   • Therefore both not boss.

g) Pravirthimva Nivrittim Va:
   • No more regulators

h) Katakshena Api:
   • Even through a glance.
Verse 55 – Introduction:

Purva Pakshi:

- Why you say Brahma Jnana Tripuri Rahitam – Nirvikalpam Chodya – Chodana Chodaka Rahitam is great?

- Any other knowledge other than Brahman Jnanam – Devata, Karma, Ghata, Physics Jnanam is Savikalpaka, Tripuri Sahita Jnanam.

- What is uniqueness of Brahma Jnanam?

- Other forms of knowledge promote and preserve Tripuri – Instructor, instructed, instruction.

- Brahma Jnanam neither preserves or promotes Tripuri but it dissolves Tripuri.

- Why you say Brahma Jnanam is non different from Brahman, which is Tripuri Rahita?

I) Yataha:

- Because of following reason.

[It may be asked:] "How is this [knowledge] not different from its object?" It is for this reason.

[Introduction – Chapter 4 – Verse 55]
Verse 55:

Before the attainment of Self-knowledge, this knowledge is directed to external objects. But after the destruction of the entire world of bondage through Sruti, the Self alone is its support. [Chapter 4 – Verse 55]

- Uniqueness of Brahma Jnanam, Mahavakya Janya Jnanam.

a) Atma Bodhat Prag:
   - Before coming to Brahma Jnanam or Mahavakya Vichara.

b) Ayam Bodhaha:
   - Any knowledge.

c) Bahya Vastu Upasjanaha:
   - Was dealing with Anatma Vastu, Prapancha.
   - Laukika and Veidika Jnanam was Upasajana.
   - Based upon, centred on, within field of Anatma.
   - Since within Anatma Preserved Triputi, special Triputi:
     - Instructor, instructed, instruction, there a wonderful Svarga.
   - Student receives Svarga Jnanam, gets desire, student says give me instruction.
Example:

- Rina Mochana Angaraka Stotram.
- To release person from Loan.
- Jnanam came, Triputi Activated.

**d) Pradvasta Akhila Samsare:**

- When entire Samsara is resolved, Jivatma – Paramatma – Vikalpa Division is resolved.
- Chodaka, Chodana, Chodya resolved (Pradvamsa).
- Akhila Samsare Sati.

**e) Atmaiva Alambana Bodaha:**

- Jnana remains, abides in Ekatma, Nirvikalpa Atma.
- Jivatma, Paramatma, Anatma Vikalpa Rahita Ekatma Nishtaha.
- Bodaha is knowledge.

- Knowledge abides in Ekatma, nondual self.
Mandukya Upanishad:

It is not that which is conscious of the internal subjective world, nor that which is conscious of the external world, nor that which is conscious of both, nor that which is a mass of consciousness, nor that which is simple consciousness, nor is it unconsciousness. It is unseen by any sense-organ, beyond empirical dealings, incomprehensible by the mind, uninferable, unthinkable, indescribable, essentially by of the Self alone, negation of all phenomena, the peaceful, the auspicious and the nondual. This is what is considered as the Fourth (Turiya). This is the Atman and this is to be realised. [Mantra 7]

- I am Nitya Turiya Atma Asmi.
- Who is there to give instruction or receive instruction.
- All these are nonrelevant.

f) Srutehe:

- This observation is not mine.
- It is as per Sruti Pramanam.

Brihadaranyaka Upanishad:

- Meitreyi Brahmana (Section) – 2\textsuperscript{nd} & 4\textsuperscript{th} Brahmana.
Because when there is duality, as it were, then one smells something, one sees something, one hears something, one speaks something, one thinks something, one knows something. (But) when to the knower of Brahman everything has become the Self, then what should one smell and through what, what should one see and through what, what should one hear and through what, what should one speak and through what, what should one think and through what, what should one know and through what? Through what should one know That owing to which all this is known—through what, O Maitreyī, should one know the Knower? [2 - 4 - 14]

- Only in Dvaitam all instructions possible.
- Yatra Sarvam Atma Vei Abuth Kena Kam Pashyet.
- Famous 2 statements in Meitreiyi Brahmanam occurs twice.
- After Mahavakya Jnanam there is nobody to instruct him.
Neither Shastra or Ishvara, therefore Jnanis Lifestyle not regulated, not licentious but self regulated by Vasana and Jnanam.

Revision Verse 55:

- Verse 54 – 69 – Lifestyle of Jnani.
- Jnani neither Shastra regulated or unregulated but self regulated lifestyle.

1) 1st Teaching:

- Jnanis lifestyle can’t be regulated by Shastra.
- For Jnani, from Paramartika drishti no Dvaitam at all, no Triputi at all.
- Since no Triputi, No Instructor (Bhagavan), instructed (Sanyasi / Grihasta), instruction (Shastram).

<table>

- Veda
  - Pravirthi Shastram
    - Karma Khanda
    - Grihasta
  - Nivritti Shastram
    - Jnana Khanda
    - Sanyasi
• Both not relevant for Jnani.
• Regulation involves instruction, instruction means Triputi.
• For Jnani, no Dvaitam, Triputi, no Pravirti, Nivritti Shastra.
• Tatra Veda – Aveda Bavati.
• From Paramartika Drishti, Shastra non existent.
• From Vyavaharika Drishti, Shastra irrelevant.
• Shastra helping aspirant for Sukha Prapti or Dukha Nivritti, not time pass.

Shastras Motive

- Sukha Prapti
  - Jnani knows I am Sukham itself.
  - Chandogya Upanishad :
    - Yo Vai Buma Tat Sukham..
    - [7 – 23 – 1]

- Dukha Nivritti
  - Everything other than himself is Mithya.
  - Dukha Nivritti not Satyam.
  - Dukha Baditatvam.
  - Dukha Nivritti not required.

Chandogya Upanishad :

Yo vai bhūmā tatsuṣkham nālpe sukhastī bhūmaiva
sukham bhūmā tveva viṣijñāṣitavya iti bhūmānāṁ
bhagavo viṣijñāsa iti.

3795
Sanatkumara said: “That which is infinite is the source of happiness. There is no happiness in the finite. Happiness is only in the infinite. But one must try to understand what the infinite is.” Narada replied, “Sir, I want to clearly understand the infinite”. [7 – 23 – 1]

- Jnani's life not regulated by Pravirti or Nivritti Shastram from Paramartika or Vyavaharika Drshti.
- This is thesis of Sureshvaracharya after Jnanam, Dvaitam not there.

**Mandukya Upanishad:**

- Na Bahish Pragyam – Triputi of Bahya Prapancha in waking is gone.
- Na Antap Pragyam – Triputi of Svapna Prapancha gone.
- Na Pragyana Ghanam – Triputi of Sushupti gone.
- 3 Padas gone.
• Prapancha Upa Shamam, Shantam, Shivam, Advaitam....
• Where is Pramata, Pramanam, Prameyam.

Srutehe :

Brihadaranyaka Upanishad :

Because when there is duality, as it were, then one smells something, one sees something, one hears something, one speaks something, one thinks something, one knows something. • As long as there is Avidya Dvaitam Avasta there is Triputi.
• Yatra hi Sarvam Atmeiva Abut.. Tat Kena Kam Pashyet, Jigret, Vijnatyat.
• Where is Triputi?
• After Triputi what is there?

f) Atmeika Alambane:

• Knowledge rests in Nirvikalpaka Atma.

g) Pradvamstu Akhila Samsare Sati:

• When entire Samsara is negated.

h) Ayam Bodaha:

• This unique self knowledge is Atmaika Alambana Bavati.
• Abides in Eka Atma.

• Self knowledge abides in the self which is Triputi Rahita Self, Nirvikalpaka Atmaneni Nishtaha.

• Eka Atma means Triputi Rahita Atma.
• Chodya, Chodana, Chodaka does not exist.
• Pravirti, Nivritti Shastram does not exist, s good as non existent, it is falsified.
• How do you know this?

Srutehe:

• Study Upanishads.
• All ideas in Naishkarmya Siddhi from Sruti, not Sureshvaracharyas.
• He is only juice extractor.
• Sureshvaracharya only distributor not manufacturer.
